Dear SASD Community:

Smethport Area School District (SASD) has been notified that two students at Smethport Area Junior-Senior High School and two students at the Smethport Area Elementary School have been determined to be positive for COVID-19, per the PA Department of Health (DOH).

Any student identified as a close contact in need of following DOH procedures due to close contact to a positive case will be notified and return to school after following procedures outlined in our current SASD Health and Safety Plan.
