Drawing a double portrait Continued PART 3

ASSIGNMENT --- This weeks assignment you are to **CONTINUE** shading YOUR PROJECT. **YOU ARE TO COMPLETE THE PROJECT AND THEN SUBMIT FOR A GRADE WITH THE REFERENCE.**

YOU ARE TO BE COMPLETED WITH THE PROJECT

The objective of a value drawing is to show form without having outlines or shading lines showing in the final drawing.

* Continue to Capture uniqueness & detail. Interesting pose.
* Layer your values with overlapping pencil strokes so as not to
* create lines or gaps in your shading.
  Use a piece of plain paper under your hand to help control smearing.
* Remember to have a focal point (a focal point is an area that stands out because it draws your attention usually caused by high contrast)

Submission - turn in the project along with your reference in the same e-mail. They may be in the same picture. Try to make sure the pictures are aligned.

Assignments turned in are to have the following information in the border (Outside of the image) to ensure you receive the correct grade.(Name of the assignment, your name, name of your art class) To submit for a grade - I suggest taking a picture with your phone & e-mail the image to me.
