

# Bruneau - Grand View Joint School District

## Parent Notification System Information Sheet

For each student you can have 2 primary contracts, and 8 emergency contacts. Primary contacts will be contacted with any message regarding the student. Emergency contacts will be called with emergency information (i.e. school closures, unplanned early releases, etc.). The information will be shared amongst the schools so that you don't have to fill out multiple copies. In the future the district may purchase a text messaging component. If you would like to receive text messages if/when the district purchases the feature please also include those numbers.
