Elem Awards Assembly Correction

The 2nd nine week Awards
Assembly is on WEDNESDAY (not
Thursday) the 11th of January

Dear Capitan Elementary School Parents,

As some of you have already noticed, there have been some changes at the elementary school after returning from the holiday break.

I would like to introduce myself to you. My name is Jim Nesbitt. I have been hired to complete the school year as principal at the elementary school. I have many years of experience as an elementary principal and I am very excited about being here.

Mrs. Huey-Fuller is still working for the district. After some reorganization, she continues to be the Federal Programs Director. She is now housed in the administration building.

As I told the wonderful staff of the elementary school, I will be a very visible principal. I love to be in the classrooms to see what they are learning and help students who may need any help.

My door is always open. Please feel free to come by at any time.

Capitan Elementary School**
