

Arizona tax law (ARS 43-1089.01) allows taxpayers a tax credit* of up to \$200 (or \$400 per married couple) if they contribute to extracurricular activities in public schools. Extracurricular activities such as sports, band, speech and debate, or overnight field trips are generally not fully funded by school districts. These programs depend on fees from students.

You Need Not Be Present To Win!

The tax credit is available to all State of Arizona tax payers, regardless of whether they have children in school. Contributions from businesses are always welcome, however such contributions cannot be used to obtain a tax credit. Please follow the TUHSD donation process for business donations.

It's Your Choice

You may contribute less than \$200 and be eligible to receive the state tax credit in the amount of your contribution. The amount you contribute - up to \$200 per individual or \$400 per married couple - will be the amount you may claim as a state tax credit. For example, if you contribute \$50, your state tax credit would be \$50. You may split your contribution among more than one public school or more than one activity, but will still only qualify for a maximum state tax credit of \$200 (or \$400 per married couple).

Just send your check, along with the Contribution Form, to the school(s) of your choice. A receipt will be mailed to you.

Know The Difference

Contributions to public schools have always been tax deductible. A tax deduction allows you to subtract the amount of a contribution from the amount of your taxable income. The new law allows a tax credit, which is subtracted from the amount of taxes you owe. **A tax credit is a full refund of your money.**

All contributions must be received or post-marked by Dec. 31 for that tax year.

Tax Credit Contribution Form

Please detach and submit with your tax credit contribution. A receipt will be mailed to the contributor for tax filing purposes.

Yes! I'd like to help our students.
Please apply my contribution of: \$ _____
(up to \$400)

to _____ School.

Identify area of contribution:
