PSAT RESULTS NIGHT 2016

Wednesday, January 6, 2016

At 6:00 p.m.

In the Harrison High School Theatre

Review and interpret the PSAT scores:

***How did I do, compared to others who took the exam,
and what does this score mean for future performance on the SAT?***

Results are ONLY available electronically.

Bring your smartphone, tablet, or laptop.

You can use your PSAT score report to identify your weaknesses,
so you know what to work on as you prepare for the new SAT.

Is there content you need to review? Do you need to work on your pacing?

The personalized score report shows your strengths and weaknesses and allows you to get
a jump on preparing for the new PSAT test and potential National Merit recognition.

And More!

- ***Resources: test preparation available here at Harrison High School***
- ***The New SAT: changes in scoring and content, and test-taking strategies***
- ***Testing timeline: when to begin prepping for the SAT and when to take the test***

It should be the start to a great night. We look forward to seeing you there!
