

## Success 1600 – Overflow Class Enrollment Instructions

Dear Parents and Students,

I hope you are all having a wonderful year. As you know, our Success 1600 lottery has taken place. If you weren't selected or didn't enter, however, it isn't too late to prepare your student for the spring SAT exam. In addition to the Success 1600 Class, the Princeton Review will also be offering an "overflow" class at Harrison High School for anyone interested. This class, which will be available for \$375/student (a significant discount off of our standard retail price of \$999), will offer the same materials and resources as the Success 1600 class, and will be taught using the same methods and strategies. Only the instructor, room number and (in some cases) schedule will be different.

In order to enroll in this overflow class, visit the URL listed below. Once on the page for your class, click the "Enroll" button, enter code **CCSATL** into the Promo Code field, and click "Apply" to see the discounted price of (\$375). You can then complete your enrollment online.
