

Queen Creek High School

Orchestra Formal Wear Contract Agreement

***The dress that you will take home and use is valued at \$60 each. The following are guidelines to follow when wearing and caring for them. Once they have been checked out to you, you will be responsible for the dress the entire duration of this school year in orchestra. A limited number of tux ensembles can also be used-this includes a tux shirt, a bow tie, and a cummerbund.**

-If the formal wear is cut, torn, or altered in any way (that is not approved under the Alteration policy), then the student, parent and/or guardian will be responsible for the cost of the uniform.

-If a student decides to drop out of orchestra, or changes to a different school, the student is responsible for returning the dress/tux ensemble washed and in acceptable condition. ALL students that check out performance attire from the school will be held accountable through their school account and will not be able to attain grades/diplomas if they do not return the performance attire.

-Ladies will be responsible for providing black dress shoes to accompany the school orchestra dress.

Alteration Policy

Your outfit may or may not fit exactly right, but it is as close as possible. Please follow these guidelines when altering your garment:

***Ladies Dresses: Please hem the dress without cutting material. Dresses should be hemmed to cover the top of the shoe and not dragging on the ground.**

Cleaning- The dresses MUST be cleaned before you turn them back in at the end of the school year. Dresses may be washed in the washer on the gentle cycle and low tumble dry in the dryer.

Please remember that you are representing Queen Creek High School when you are at performances, make sure your concert attire is clean and neat!

Take PRIDE in your appearance for yourself and those that will wear it in the future.
