

Application for Free and Reduced Priced School Meals

School Year 2017-2018

Dear Parents,

Last school year we served 482,295 student meals! That is over 17,000 meals more than the previous school year! Thank you for your participation! We are looking forward to feeding your child this year. The price for lunch is \$3.00 and breakfast is \$1.00.

If possible, please complete your child's lunch application online at www.schoollunchapp.com. This is a safe and secure website and online processing is faster and private!

Please be aware that online applications are processed first!

Paper applications will be scanned this year. If you complete the paper application, please print in black ink in capital letters so the scanner will be able to read your application. Do not fold or bend application.

If you complete the online version, do not send in the paper copy! I do not need both.

Additional online services include:

www.myschoolbucks.com

- deposit money for student meals online ANYTIME
- sign up for automatic **low balance** email alerts
- view account balances
- view recent purchase history
- download the mobile app

www.ksd.k12.ms.us

- view school cafeteria menus

If you have any questions, please contact my office at 662-289-8765.

Thank you,

Susan Byars
Food Service Administrator
