

Up Next

With FAFSA registration starting on October 1st for the 2018-2019 school year, the Reach Higher team has a great tool for students. UP NEXT is a FREE, evidence-based texting tool that offers personalized support on all things related to college access and completion—college search and application, federal student aid, even student loan repayment—all through texting. It's quick and easy to enroll and costs you nothing. And we won't spam users with unnecessary messages or ads; we only share the most important reminders to keep students and parents on track to college.
