CAVIT COVID-19 STATEMENT

CAVIT recognizes that there is much concern over the disease known as COVID-19. We have an ongoing commitment to be proactive and ensure that CAVIT is doing everything we can to protect the health and wellness of students and employees during this period of heightened public health awareness. The District is in regular contact with the Pinal County Health Department regarding the school-based infection control guidelines and outbreak planning. Please partner with us by reading and applying the below recommendations from our state health department. CAVIT will continue to provide and encourage the best practice recommendations outlined below.

Public health officials are advising residents that flu and other respiratory diseases are circulating in the community, and are recommending everyone get a flu shot and follow basic prevention guidelines. The best ways to prevent the spread of respiratory viruses are to:

- Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with people who are sick.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then immediately throw the tissue in the trash.
- Stay home when you are sick.
- Clean and disinfect frequently touched objects and surfaces.

For the latest information about COVID-19, visit the website at [azhealth.gov/coronavirus](https://www.azhealth.gov/coronavirus).

We are deep cleaning, sanitizing, and disinfecting all classroom and front office spaces. We will continue to remain in close contact with county and state officials regarding the COVID-19 and will keep you updated with any developments that could impact our school.
