March 25, 2020

Dear CAVIT Parents & Guardians,

I hope this letter finds you and your family healthy and well. I understand that the COVID-19 pandemic is impacting our families in many unique ways. My goal is to provide you with flexible options so your student has access to continued learning at home through guidance and support. We will provide through direct access to our teachers, content experiences and online instruction to support individual student needs.

- Starting **Monday, March 30**, we will begin offering online resources to support learning at home. Each teacher will be using Google Classroom as our remote learning platform.
- Students are to log in their CAVIT Google account daily from March 30-April 9 to complete assignments. Students can reach out to their teacher via CAVIT email listed below if they encounter login issues.
- The learning resources we're providing are not to overwhelm students, but to provide support during this unique time. The assignments are designed to keep students engaged and focused so they are prepared for the time we return to our regular school schedule.

I understand this can be a trying and stressful time for families. Feel free to reach out to your child's teacher via CAVIT email if any issues arise.

If there is anything I can do to help support you and your family, please let me know.

Sincerely,

Mike Glover  
Superintendent
