St. Johns Middle School

A Message from the Principal:

Hello SJMS Families!

Welcome back to school! We are so happy to start school in-person and also provide an online option for those that prefer to do school online. Thank you for your patience as we learn how to manage doing both online and in-person teaching. The online program is new to us and we are learning many things as we go. We appreciate the support of the community and the positive affirmations you have extended to our staff as we navigate these difficult times!

We have a dedicated team of educators that I would like to recognize for all of their hard work. Our teachers and staff have been so positive, as we have adapted to the new changes. They have worked hard to help students both in-person and online and have been diligent at making sure their classrooms are sanitized regularly and that they are following all of the new procedures for preventing the spread of COVID 19. We are very fortunate to have such wonderful educators in our community! Their efforts do not go unnoticed and I appreciate the many hours they spend on behalf of our students!

-Ms. Lara Olsen, Principal

Health & Wellness

We want our students and staff to stay healthy and help prevent the spread of illness. Please remember to keep your child home if they are sick. Students must not come to school if they exhibit any of the following COVID 19 symptoms: fever of 100.4 degrees or higher, or chills; shortness of breath or difficulty breathing; muscle aches; sore throat; headache; fatigue; congestion or runny nose; cough; vomiting; diarrhea; or new loss of taste or smell.
