
TRANSPORTATION DEPARTMENT – 2021-22 SCHOOL YEAR ROUTE SCHEDULE

TO: PARENTS, STUDENTS AND STAFF
FROM: DIRECTOR OF TRANSPORTATION
SUBJECT: 2021-22 ROUTE SCHEDULE
DATE: JULY 30, 2021
CC:

Everyone at the transportation department is committed to the continued safe transportation of your student. Please remember that school transportation is a privilege and not a right, don't abuse the privilege.

SAFETY

Transportation will continue to follow applicable updated CDC, Arizona Department of Health and local health guidelines in order to mitigate exposure to the COVID-19 virus. Everyone has a role to play.

TRANSPORTATION DEPARTMENT:

- Transportation staff will stay home if they are not feeling well.
- All vehicles will be sanitized once a day using state of the art electrostatic technology.
- All students, aides and drivers are encouraged to wear face coverings while riding or operating district vehicles.
- CDC approved hand sanitizer will be provided for students to apply as they enter the bus.

STUDENTS:

- Don't come to school if you are not feeling well.
- Wash your hands before coming to school and frequently throughout the day.
- Do not touch your face.
- Keep your hands to yourself.
- Follow directions given to you by your driver.

Together we safe and Falcon Strong!

DISCIPLINE

Research shows that the safest way to travel to and from school is in a school bus. That is particularly true in our district. Our staff has not had an accident in 6 years and over 1 million miles. Unlike at home or in the classroom a district vehicle is moving and presents a unique environment, that when basic rules aren't followed, could lead to serious injury or death.

Review these (7) simple transportation rules and take review them with your student.

1. Do not approach a moving school bus. Wait until it stops and the doors are open, this is your signal that it's safe to approach.
2. Be courteous and follow driver directions at all times.
3. Move safely and quickly to your seat and stay seated facing the front of the bus with your feet on the floor or hanging over the front of the seat.
4. Keep hands, feet and objects to yourself and inside the bus.
5. Do not display verbal or physical behavior that disrupts the safe operation of the vehicle.
6. No weapons, gum chewing, eating, drinking (water is o.k.) or tobacco (including vapes) allowed.
7. Demonstrate appropriate, classroom behavior while riding.

NEW SCHOOL YEAR ROUTE ADJUSTMENTS

In order to continue providing a safe and efficient transportation system, changes to the routes were necessary. **Please be careful to review the attached route schedule. While there has been minimal change to pick up and drop locations and times, it is important you recognize a change that affects your student(s).**

Factors Impacting Change

- Current Ridership Data
- Parent Survey Results
- Student Population Density
- Left/Right Turn Ratios
- Available Route Time (pick up to destination timing)

ROUTE CHANGE OVERVIEW

Every route has been affected by change of some degree: time, added or dropped pick-up locations, etc. Please these changes and adjust accordingly. The single biggest adjustment is:

If you have any question or comments, contact transportation via email at:

jflynn@fhUSD.org

Each email should include your home address and the grade(s) of your student(s). Email is the most efficient method for sharing information and the only way changes to the route system will be addressed.

REMEMBER TO ARRIVE AT THE BUS STOP AT LEAST 5 MINUTES PRIOR TO THE PICKUP TIME!

Everyone at transportation recognizes that the safe operation of our route system is a result of a cooperative relationship between us and the students we serve.

I'm always available to answer any general questions you have.

John Flynn PH: (480) 664-5310 / email: JFlynn@fhUSD.org
