
TRANSPORTATION DEPARTMENT – 2020-21 SCHOOL YEAR ROUTE SCHEDULE

TO: PARENTS, STUDENTS AND STAFF
FROM: DIRECTOR OF TRANSPORTATION
SUBJECT: 2020-21 ROUTE SCHEDULE
DATE: AUGUST 31, 2020
CC:

Everyone in the transportation department is looking forward to the start of the 2020-21 school year.

Transportation will follow applicable CDC, Arizona Department of Health and local health guidelines in order to mitigate exposure to the COVID-19 virus. Everyone has a role to play.

TRANSPORTATION DEPARTMENT:

- Transportation staff will stay home if they are not feeling well.
- All vehicles will be sanitized twice a day using state of the art electrostatic technology.
- All students, aides and drivers will wear face coverings while riding or operating district vehicles.
- CDC approved hand sanitizer will be provided for students to apply as they enter the bus.
- Social distance seating will be implemented where vesible.

STUDENTS:

- Don't come to school if you are not feeling well.
- Wash your hands before frequently.
- Wear a face covering while riding a district vehicle.
- Do not touch your face.
- Keep your hands to yourself.
- Follow directions given to you by your driver.

Together we safe and Falcon Strong!

Please be careful to review the attached route schedule. While there has been minimal change to pickup and drop locations and times, it is important you recognize a change that affects your student(s).

THE OWL ROUTE HAS BEEN MOST AFFECTED BY CHANGE.

THE FROG ROUTE IS A SPECIAL INTRA-DISTRICT ROUTE SERVING BOYS & GIRLS CLUB. ONLY STUDENTS GOING TO BOYS & GIRLS CLUB SHOULD RIDE THE FROG ROUTE. THIS WILL REDUCE OVERCROWDING.

REMEMBER TO ARRIVE AT THE BUS STOP AT LEAST 5 MINUTES PRIOR TO THE PICKUP TIME!

During the past 6 years we have transported 400,000 + students more than 750,000 miles, traveled to the four corners of Arizona and taken athletic and field trip participants to 4 different states.

We are proud to operate one of the youngest fleets in the state and that all of our drivers exceed the Arizona minimum standards for driver certification, but we are proudest of our safety and inspection records.

Since 2013 we have had no accidents that have resulted in injury to students or drivers. During the same time frame we have had only had 5 minor violations on the more than 20,000 items subject to Arizona Department of Public Safety inspection. We are the only district in Arizona that can make those claims.

Everyone at transportation recognizes that the safe operation of our route system is a result of a cooperative relationship between us and the students we serve. Please help us by remembering these important safety reminders:

- Never run after a bus. This is one of the leading causes of injury to students.
- Always arrive at you designated pickup location at least 5 minutes prior to the pickup time.
- Only wait for the bus at the designated stop only.
- Find you seat and stay seated for the entire ride to or from school. Not sitting in your seat, facing forward with your feet on the floor is the #1 cause of student injuries.
- District vehicles ALWAYS have the right of way on school property. This is particularly important to note at the elementary and middle schools.

I'm always available to answer any questions you have.
