

There are virtually no changes to morning and afternoon pick up and drop locations and their corresponding routes. This is also the case for morning pickup times. Due to a change in the high school end of day bell schedule drop times in the afternoon **have changed** for most routes. In most cases no more than 6 minutes.

Please note that all times are based on a 24 hour clock. From midnight to 12:59 p.m. is 0000 hrs to 1259 hrs and from 1:00 p.m to 11:59 p.m. is 1300 hrs through 2359 hrs.

This year:

Middle school student athletes going to the high school for practice can ride any bus to the high school.

High school and middle school students traveling to Boys and Girls Club will take the BOOKWORM route.

Elementary students traveling to Boys and Girls Club, as well as, elementary students traveling intra-school will use the FROG route.

Students traveling to and from East Valley Institute of Technology ("EVIT") will use the KANGAROO route.

Students traveling to the Fountain Hills Town library will use the BEAR route.
