Vocational Education

East Valley Institute of Technology (EVIT)

EVIT is a public, joint technological education district that serves students from ten East Valley school districts. As a participating district, Fountain Hills High School students have the opportunity to attend EVIT tuition-free while they are in high school.

Once you graduate from Fountain Hills High School you can still have access to EVIT’s programs and careers through the EVIT School of Adult Education. Refer to the FHHS Student Course Guide and the following websites to find out more information and a complete listing of all programs offered for high school students and adults.

**EVIT (DURING HIGH SCHOOL)**

[www.evit.com](http://www.evit.com)
1601 W Main St
Mesa, AZ 85201
480-461-4000

Students spend a half-day at EVIT in a technological program and the other half-day at their home high school. All 10th, 11th, and 12th grade students can attend tuition-free if they have met the class prerequisites. Free busing is provided to and from EVIT by the student’s home school district for most programs.

- **Plan Ahead:** If you are interested in attending EVIT you will need to start planning your high school courses during your freshman year to assure that you can complete required courses for graduation in addition to attending half-day EVIT classes.

- **Register:** Let your case manager know about your interest in EVIT and work with him/her to register. Registration is typically due the beginning of second semester of your sophomore year. EVIT may require you to take a cognitive and skill dexterity test as part of the registration process.

**EVIT (AFTER HIGH SCHOOL)**

[www.evit.com/adulted/](http://www.evit.com/adulted/)
1601 W Main St
Mesa, AZ 85201
480-461-4028

The EVIT School of Adult Education serves students 18 years and older. Adults 18-22 have the option of 40 different career programs during the daytime and adults 18 and older have several career programs available in the evening. Find a complete listing of all careers and programs at the indicated website.
Other Vocational Schools & Opportunities

There are a variety of other available vocational schools and programs available in the Phoenix area. Below are some of these options. (This list is not comprehensive and just serves to highlight a few of the known vocational opportunities in the local area).

**UNIVERSAL TECHNICAL INSTITUTE (UTI)**

[www.uti.edu/Home/Automotive/Schools/Phoenix/tabid/176/Default.aspx](http://www.uti.edu/Home/Automotive/Schools/Phoenix/tabid/176/Default.aspx)

10695 W Pierce St
Avondale, AZ 85323
1-800-510-5845

UTI is the country’s premier provider of technician training for students seeking a career in the automotive, diesel, collision repair, motorcycle, and marine industries. UTI has partnerships with leading manufacturers such as BMW, Ford, International, Honda, Nissan and Volvo.

**MOTORCYCLE MECHANICS INSTITUTE (MMI, A DIVISION OF UTI)**

[www.uti.edu/Campus-Locations/mmi-Phoenix](http://www.uti.edu/Campus-Locations/mmi-Phoenix)

2844 W Deer Valley Rd
Phoenix, AZ 85027
1-877-201-2666

MMI offers a 36-week core training program for troubleshooting, service and repair of both domestic and foreign motorcycles. Training will include fundamentals of how engines work, and then progress into fuel systems, electrical systems, power and performance in state-of-the industry classrooms.

**SCHOOLS IN ARIZONA – VOCATIONAL, TECHNICAL, TRADE SCHOOLS**
