Dear FHUSD Families,

As posted on the district website on Monday, March 16th, the district is providing free breakfast and lunch to Pre-K through high school students beginning Wednesday, March 18th and extending through March 27th pending the availability of our food supply. There will be 2 pick-up sites for this. Per federal guidelines to receive a student meal, the child must be present in the car.

Site 1 will be Ft. Hills High School with the pick-up time from 9:30AM-11:00AM. The entry point will be off of Golden Eagle Blvd. by entering the bus lane then following the cones and directions to the pick-up location. Dr. Jagodzinski, FHHS Principal has created a video to guide you to the location. [Click here for the video](#)

Site 2 will be the Ft. McDowell H'man'shawa ECDC located at 18749 E. Bah On Nah Road Fort McDowell, AZ 85264. The Ft. McDowell location will also have a drive-through and pick-up service so parents and children do not need to leave their car.

Sincerely,
Robert Allen, Ed.D.
Superintendent
