

Happy Thursday Falcon Families,

As we have progressed through the last 2 ½ weeks, we have had many questions regarding the signs and symptoms of COVID-19. The Hybrid plan has the signs and symptoms, but we wanted to provide you with a quick reference on how to check if your child should remain at home. For more detailed information, please check the Hybrid plan on the district website under “Latest News”. We are following the nursing guidelines of one symptom will either keep your child home or we’ll be calling to ask you to pick them up.

If you have further questions, please call your primary care physician or the school nurse.

We appreciate the diligence you are showing in monitoring the symptoms of your children so that we can keep everyone safe and the schools open. Thank you!!
