

Fountain Hills Charge Policy

The POS will allowed Paid students to charge 3 lunch and 3 breakfast meals.

After the 3 meals have been charged the system will no longer allow a charge to go through. The cashier will ring up an N/P meal which will be subtracted by the kitchen supervisor at the end of the day. We will serve a regular meal since we are still charging them for that meal.

A negative letter is sent to the parent every week along with 3 negative balance emails a week.

If the food service cannot get money for the negative balance by letter email or calling, that students name is turned into the Principle for assistance.

Don't forget to fill out a Free/Reduced Meal Application for this School Year 2020-2021

If you qualify for Free Lunch you also qualify for Free Breakfast.
