

Dear Students and Parents/Guardians:

Yearbooks are available for purchase online for \$70 through the month of January. If you wish to purchase last year's yearbook it can also be purchased online for \$80.

Please look for emails from me, kprimosch@fhacademics.org addressed to your 205 account. We will be sending surveys to all new students with some questions. Please send a fun photo of yourself that we can use on the new student feature.

We could really use your help this year filling the pages of yearbook and would like photos for the following pages:

- Student photos at home in their distance learning classroom. They can be simple head and shoulder photos.
- Pandemic Pets (you and your pet should be in the photo and should have been adopted during the pandemic, a quote or little background story would be appreciated too)
- Organized activities outside of the school offerings such as club sports, motor cross, skateboarding, hockey, Eventing, theatre, orchestra, rodeo, competitions, etc. Please include your name and a quote.
- Photos of you and your friends.

Please send high resolution, large images. No screenshots.

Thank you in advance for your assistance,

Karla Primosch and the FHHS Yearbook Staff
