FHUSD SCHOOLS PLP

The screenshot shows the login interface for the Fountain Hills Unified School District Personalized Learning Platform. At the top center is the district's logo, a shield with a stylized 'F' and 'H' inside, with a trademark symbol. Below the logo, the text reads 'Fountain Hills Unified School District' and 'Personalized Learning Platform'. There are two input fields: 'Username:' and 'Password:'. Below the password field is a 'Log In' button and a checkbox labeled 'Log in as Parent' with a small circular icon to its right.

This year we will be using SchoolsPLP as our learning platform. Everything your child needs will be on this platform.

ABOUT ME

Hi! My name is Coach Baca. I will be your Physical Education teacher this year. I have been teaching at Fountain Hills for the past 13 years. I love teaching Physical Education because we have tons of fun while staying healthy. I also coach girls basketball at both FHMS and FHHS. Basketball is my absolute favorite sport! When I'm not teaching and coaching, I enjoy watching live sports, especially ASU Women's Basketball, cooking, reading, and shopping for Nike shoes. Even though teaching and learning will be a little different this year, I am looking forward to meeting all of you and getting the year started!

CLASS INFO

Learning Online	Digital Expectations	Learning Space
<p>We are about to embark on our online learning adventure. Our learning experiences will be different from the Spring of last school year because those were learning opportunities. We are now starting live teaching and learning that follows a full day of school schedule, but modified for home. Students will partake in both synchronous (live instruction) and asynchronous (independent time) learning time.</p>	<p>Students will be responsible for logging onto their computer at the start of each school day, and join our different learning blocks throughout the day for live instruction and independent practice. Your child will need to be digitally responsible, and listen to directions, so they can complete activities with my help and independently. They need to continue following the Falcon expectations of be respectful, be responsible, be kind, and be safe.</p>	<p>It is important that your child has an at home learning space. If they are learning at home, set up a school space that is in a quiet area, includes their materials, and leaves them a space to have their computer/charger set up, and a desk space to write on. If they are learning at a Falcon facility, they have organized their materials in a backpack when it is time to go to learn.</p>
