FHMS (FHUSD) Technology Device Checkout

March 24, 2020

Good Afternoon Falcon Families,

I hope this message finds you all in good health and good spirits. While this is a new experience for all of us, it is important to remember that we are all working towards the same goal: ensuring our students have access to quality educational opportunities. To that end, FHUSD is excited to announce that we will be conducting Chromebook handout for those that need a device to access school work at home.

Families in need of a device:

- At this time we are handing out one device per/family (additional devices may come available at a later date)
- The parent/guardian that picks-up the device must present a valid ID
- The parent/guardian that picks-up the device will sign a "Technology Loan Agreement" at the time of pick-up
- Devices can be picked-up in the front office of FHMS (or either of the other two campuses' front offices. If you have students at multiple campuses, please pick the campus that is easiest for you)
- Devices can be picked-up Thursday (Mar. 26) and Friday (Mar. 27) from 8:00 a.m. - 12:00 p.m.

A list of teachers' Google Classrooms will be shared later this week. Assignments will officially begin on Monday, Mar. 30th. For students that do not have access to the internet, we are working on a system that will allow access to assignments in paper format. More information will be shared later this week.

Thank you again for your support and patience as we completely change how we deliver instruction. Please keep checking your emails, Facebook, and the website for updates.

Thank you and have a great night!

Respectfully,

James Carrick, Principal
