School Description

Principal's Message

Since 1994 Tech Prep High School has been dedicated to providing students with a viable alternative to the comprehensive campus by offering a smaller academic environment with lots of support and personalized attention. Teaching staff work diligently to embrace the elements of rigor, relevance, and relationships as a formula for successful teaching practices.

Mission Statement

The Mission of TPHS is to provide students at-risk of not graduating due to attendance, behavior, and/or credits an opportunity to make progress towards earning a high school diploma in a safe and nurturing environment while receiving multiple levels of supports aimed at helping all students navigate life's challenges. Upon graduation all students are expected to meet our REAL learning outcomes: Respect, Engage, Achieve and Learn.

School Profile

TPHS is a Continuation High School in the Tulare Joint Union High School District that serves both voluntary and involuntary students in grades 9-12. TPHS offers students up to eight classes on an alternating A/B schedule (4 classes daily). Though more than 80% of the students enrolled at TPHS are involuntary almost all who attend have in common either a history of poor attendance, disciplinary issues, and/or a credit deficiency. Student support programs are driven by a need to help students remain or get back on-track for graduation and to meet terms of expulsion, when applicable. Support programs include individual and group counseling for students in need of services related to academics, behavior, drug and alcohol use, anger management and/or mental health. Services and programs are provided by the school site counselor/behavior specialist, school psychologist, Recovery Resources, Tulare Youth Services Bureau, Tulare County Office of Education, School Resource Officer, Attendance Officer, Campus Life Mentor, and school administration.

Recent student profile data shows the following:

- Over 80% of the student body are identified as socioeconomically disadvantaged
- The enrollment ratio of boys to girls is 3:1
- The student body is largely Hispanic (74%) with Whites (12%) and African Americans (12%) a distant second
- Approximately 15% of students receive special education services
- The graduation rate for 2019-2020 is 60%
- The attendance rate for 2019-2020 is 85.76%
- The suspension rate for 2019-2020 is 51.35%

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

The Tulare Joint Union High School District held a public hearing on September 5, 2019 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. the State of California.

All students, including English Learners, are required to be given their own individual textbooks and/or instructional materials (in core subjects), for use in the classroom and to take home if necessary. Additionally, all textbooks and instructional materials used within the district must be aligned with the California State Content Standards and Frameworks, with final approval by the Board of Education. The table displays information collected in March, 2019 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements (Most Recent Year)

Situated on approximately two acres Tulare Tech Prep High School was originally constructed in 1968. The campus is currently comprised of eight classrooms. In 2019 the entire exterior of campus received a fresh coat of paint.

Cleaning Process

Tulare Tech Prep High School provides a safe and clean environment for students, staff, and volunteers. The district governing board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with an emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the custodial/maintenance staff to ensure a clean, safe, and functional learning environment.

Maintenance & Repair

A scheduled maintenance program is administered by Tulare Tech Prep High School's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by Tulare Joint Union High School District to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority while repair requests are completed efficiently and in the order in which they are received.

At the time of publication, 100% of the school's restrooms were in working order. The following chart displays the results of the most recent school facilities inspection.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	0	N/A	24	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

TPHS parents are sometimes apprehensive when first enrolling their child but later are often very appreciative and supportive of the educational program at Tech Prep High School. Parents are given school and staff contact information upon enrollment and receive either notices, personal phone calls, or automated calls regarding opportunities to participate in organized activities such as School Site Council, Safety Committee, WASC Accreditation, and Sporting events. Parents who wish to sit-in on their child's class are expected to notify the principal in advance and arrangements will be made with the teacher or teachers. Also, parents with internet access can access student information such as grades and attendance via the Aeries parent portal. The administration and staff at Tech Prep High School maintain an open door policy and are available to meet and discuss parent/student concerns at almost any time of the school day.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The safety of students and staff is a primary concern of TPHS administration. The addition of a full time School Resource Officer in 2013-14 has helped to increase feelings of physical safety among students, staff, and parents. The school currently follows the ALICE model for responding to an intruder on campus and a metal detector is used on all students upon entry to campus to deter anyone from bringing a weapon onto school grounds. All guests to the campus must sign in at the administration office for approval to be on campus. Student supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among administration, school resource officer, security, and staff. Numerous cameras are used for additional campus monitoring and security.

To safeguard the well-being of students and staff a comprehensive School Site Safety Plan has been developed with updates occurring every fall. Any revisions made to the plan are reviewed with the staff at schoolwide staff meetings and with students during announcements or student assemblies. Key elements of the Safety Plan focus on the following: disaster response procedures, child abuse reporting procedures, suspension and expulsion policy, sexual harassment policy, teacher notification of dangerous pupils procedures, and safe ingress and egress of pupils, parents, and school employees. Tech Prep High School is implementing a Positive Behavior Intervention and Support program which includes an incentive plan for positive behavior, attendance, and successful course completion.

The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills including fire, earthquake, and intruder drills are held yearly.

Suspensions and Expulsions
(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	47.9	36.4	7.7	7.7	3.5	3.5
Expulsions	4.1	0.0	0.6	0.5	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only
(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	51.35	6.42	
Expulsions	0.0	0.00	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Ratio of Pupils to Academic Counselor (School Year 2019-2020)

Title	Ratio
Academic Counselor*	0

*One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	15	15	7

The district has contracted with the Tulare County Office of Education to provide training to ELA, Math, Science and Social Science teachers and administrators to fully understand the Common Core Standards. Professional development was provided to teachers to learn new instructional strategies that they could utilize to implement the common core. The professional development provided during the regular school year or during breaks included Kagan strategies, Project Based Learning, and Interactive notebooks. Currently, professional development opportunities continue for teachers in the use of technology and Professional Learning Communities (PLCs).

The district will continue to provide professional development to improve student learning and implement Common Core Standards.

Tech Prep High School offers support programs and services for students in the following areas:

- Academic Support
- Transportation
- Special Education Services
- Drug and Alcohol Counseling
- Anger Management Counseling
- Mentoring
- Psychological Services
- Mental Health Support

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Rate for Tulare Technical Preparatory	2016-17	2017-18	2018-19

Career Technical Education Programs

Tech Prep High School does not offer a CTE Program Pathway at this time. In prior years students interested in CTE coursework would take courses in Health Occupations and/or Certified Nursing Assistant classes at the comprehensive school site. Tech Prep is regularly exploring avenues to providing a CTE Program Pathway to its students on campus.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
