

TULARE JOINT UNION HIGH SCHOOL DISTRICT SUMMER SCHOOL PROGRAM 2021 INFORMATION PACKET

This information packet has been prepared to assist entering 9th - 12th grade Tulare Joint Union High School District students and parents in the registration for the Summer School Program. Information herein is reliable at the time of printing, but due to financial and other constraints, is subject to change.

The deadline to apply is Friday, May 14, 2021

STATE GUIDELINES AND DISTRICT PRIORITIES

The State of California specifically regulates the types of offerings for Extended Year programs. These regulations are listed as follows:

- **Extended year program hours can be used for other local priorities, including pupils at risk of being retained, those with low test scores, graduating seniors, those who would otherwise not graduate with their class, etc.**

Students will be placed in courses based on the following District priorities:

- 1) Placement in courses that assist students in meeting **graduation requirements** for those students who are not on track to graduate.
- 2) Placement in courses that assist students in meeting **A-G requirements** for those students who wish to take regular year courses that would otherwise not fit into their schedule.

APPLYING FOR SUMMER SCHOOL

Counselors will provide this summer school information packet and an application to their students.

In order to receive appropriate priority, counselors will assist students in selecting classes based on the above listed State Law and District Priorities

SUMMER SCHOOL DATES, BELL SCHEDULE & LOCATION

Summer school will be held at **Mission Oak High School** on the following dates from 7:30 am to 3 pm:

1st semester: June 16, 17, 18, 21, 22, 23, 24, 28, 29 (9 days)

2nd semester: June 30 & July 1, 6, 7, 8, 12, 13, 14, 15 (9 days)

Bell Schedule

First Block	7:30 am - 9:45 am
Health Break	9:45 am to 10 am
Second Block	10:00 am to 12:15 pm
Lunch	12:15 pm to 12:45 pm
Third Block	12:45 pm to 3:00 pm

Summer School Regulations

The following regulations must be adhered to by any student in the summer program:

- All regular school rules apply, including the conduct code, dress code and the truancy/tardy policy. Failure to follow these rules may result in dismissal from the program.
- Students who elect to use Summer School to accelerate required coursework for high school graduation in the areas of Math, Science, Social Studies, World Language and Fine Arts will be allowed to complete only one (1) course from each of these departments to count toward graduation requirements. English can only be taken as a make-up class.
- A summer class is essentially a year-long program that has been condensed into 18 days. A single day's absence from summer school equates to over a week's absence from the regular school. **Any student who misses more than two days of summer school will be dropped from the program.** This includes absences for illness and family vacation. There are no "excused" absences during the summer program.
- **Students not in attendance by 7:30 a.m. on Wednesday, June 16th 2021, will be dropped from the summer program.** Re-enrollment for dropped students will be on a space available basis.
- Final exams will be conducted on the last day of each semester. Students must be present and must participate in finals in order to receive credit. **There will be no exceptions made for students wanting to be dismissed prior to the last day of Summer School.** Please plan family vacations and other summer events with this in mind.

We understand that there are numerous valuable opportunities that take place during the summer months. In some cases, such opportunities conflict with the summer school dates. Students should not apply to the program if they cannot commit to the entire term of the class.

Summer School Grades

Grades will be distributed to the students by their teacher on the last day of each summer semester. The grades will also be posted on the student transcripts by the first day of August. Any questions regarding summer grades after the summer program has ended, contact your student's counselor.

How To Know If You Are In Summer School

ENROLLMENT WILL BE DONE ON A LOTTERY BASIS PRIORITIZED BY GRADE LEVEL THEN BY THE DISTRICT PRIORITIES IN COURSES WHERE DEMAND EXCEEDS SPACE AVAILABILITY.

Summer School applications will be processed in May. Turning in an application does not guarantee enrollment. Meeting the registration deadline, demand for classes, and registration priorities are all factors in enrollment. All students who apply will be notified of either their placement or non-placement by **Wednesday, June 2, 2021**. Students who are not placed in a summer course will be given an opportunity to fill empty seats on the first day of the program through a lottery system. More information will be distributed to those students regarding this process.
