## Tulare Union makes a home for The TRIBE

Hello parents, students and friends! Our 2016-2017 school year is well underway, and it's hard to believe, but we are already approaching the end of the first semester. I am currently in my 11th year as the principal of Tulare Union High School, and it seems that each year passes by more quickly than the previous one.

Each new school year brings new people on staff, as well as new changes to the campus. We were pleased to hire seven new teachers this year, several of which are alumni of both Tulare Union and Tulare Western. We are truly blessed in that oftentimes former Redskin students "come home to roost" and take up residence in the classroom once again, but as teachers this time around. We are also blessed to have many others come make their home as faculty members in our Tribe.

I would like to take this opportunity to introduce you to the following new teachers:

D. J. Bennett graduated from Tulare Union in 2008. He teaches science and study skills in the Special Education department and coaches football. The former teacher, Jason Edwards, was promoted to the position of Director of Special Education overseeing the District's efforts in educating our resource students.

Larissa Monreal is another alumni having graduated in 2009. She teaches mathematics in the Special Education department after serving as a substitute for the district for a couple of years. Former teacher Mike Lewis, resigned from teaching to relocate and become a missionary in Vicente Guerrero, Baja California, Mexico.

Vanessa Perales is a 2010 graduate from Tulare Western High School. We are glad to welcome this Mustang into our Tribe. At the end of the 2015-2016 school year, we lost two math teachers: David Terrel

transitioned into the full-time athletic director position at Mission Oak High School and Michelle Reindl moved over to the new Accelerated Charter High School. Vanessa teaches Algebra 1.

Derek Williamson graduated in 2002 from Tulare Union. He actually taught in the English department in the previous school year, and then jumped over to the Social Studies department in this year to teach Economics Honors, AP Government and World History. The former teacher in those classes, Sara Zakarian, is now the Dean of Students at the Accelerated Charter High School.

Jessica Handly comes to us from the Visalia Unified School District. Born in Montgomery, Alabama, Jessica graduated from Bullard High School in 1998. She teaches English to our sophomores. We are very pleased to welcome this Bullard Knight into the Tulare Union Tribe.

Jordan Lapadula is another Tulare Western alumni, graduating in 2010 with Vanessa Perales. Jordan served in the capacity of substitute teacher in the 2015-2016 school year and became the "go-to" sub for many of our teachers on campus. We were excited to hire Jordan to join the English department, where she teaches Freshmen English and one period of English Language Development.

Kelly Lawler graduated as a Lemoore High School Tiger in 1988. This past summer, we gladly stole Kelly from Delano High School where he taught English. He has jumped in full-throttle at Tulare Union teaching all six periods (no prep!) and coaching our Mock Trial team. Currently in his 20th year of teaching, Kelly took on not only sophomore and junior level English, but also an English I Honors class.

On a personal note, I would like to thank all of our parents, students,

staff, friends and colleagues for your support of Tulare Union academics, athletics and co-curricular activities each year, day-in and day-out. Your support is amazing. Everyone brings an enthusiasm to the campus that is contagious.

There is a new slogan in popular culture, that was given to me carved in wood by Ag Teacher Jennifer Sousa. It says:

**Find Your Tribe,  
Love Them Hard.**

That is our intent. To love our students, and do our best to make them world-class citizens ready for the leap beyond high school for continuing education and the workplace.

Remember to use #TUTRIBE when posting on social media.

Go TRIBE!!

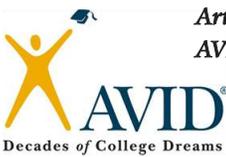

*Michelle Nunley*

Principal Dr. Michelle Nunley

**Advancement  
Via  
Individual  
Determination**

Article from Vicki Mailes Leoni  
AVID District Director

Tulare Union High School was one of the earliest schools to adopt AVID (Advancement Via Individual Determination) in the central San Joaquin Valley back in 1994. Since then, the program has expanded and strengthened, thanks to a great deal of support from our principal, our leadership team, our teachers and our students.

The mission of AVID is “to close the achievement gap by preparing all students for college readiness and success in a global society”. TU’s AVID students take this mission to heart, by modeling “individual determination” and sharing the knowledge and skills they learn in their AVID classes with friends and classmates.

This year’s AVID Senior Class is a perfect example of the AVID mission in action. AVID Coordinator for Tulare Union Ms. Courtney Hendrickson has 28 AVID seniors. These students are now working on college applications, so it is an excellent time to reflect on how AVID has helped students prepare for this culminating moment.

AVID Senior Jessica Lopez explained how AVID kept her on track so that her dream of college can become a reality. “As the first person in my family to attend college, I knew I was going to need lots of help, and over the past 3 years I’ve been in AVID, I’ve always been assured of having emotional and academic support,” she said. In AVID Jessica learned to keep organized and manage her time, and she appreciates how being in AVID means she is informed about what she needs to be prepared for university life.

She also explained how AVID at TU helps all students, not just the AVID students, “Many of my other classes have endorsed the use of Cornell Notes because they realize it is more beneficial for students. Having AVID students in classes seems to be beneficial to other students because there are cases where they’re the most informed students on campus and are able to keep their fellow classmates on track as well.”

Indeed, Tulare Union’s Site Team plan for this year includes sharing AVID strategies across the campus so that all students can benefit from the sorts of activities students complete in AVID classes. The Site Team is also arranging for peer mentoring on the Tulare Union campus.

After graduation, Jessica hopes to attend UC Santa Cruz and pursue a major in Human Biology. “With that, I have hopes of attending medical school and becoming a doctor,” she revealed.

Parents who are interested in learning more about how AVID works to improve the high school experience for all students are encouraged to call AVID District Director Vicki Leoni at 559-688-2021, extension 2043,

*Tulare Union Drama Department Presents*  
**Dracula: The Twilight Years**  
*By Tim Kelly*

*Wednesday-Friday, 11/16-18 @ 7:00 PM*  
*Saturday Matinee, 11/19 @ 2:00 PM*  
**TUHS Auditorium**  
*Admission: \$5 at the door*

Produced by special arrangement with  
Pioneer Drama Service, Inc., Englewood, Colorado

*Tulare Union's Drama Department presents the play  
"Dracula: The Twilight Years" by Tim Kelly.  
There is no shortage of humor in this whimsical spoof  
on the vampire craze! A group of students trekking  
through Europe has lost their way and find themselves  
unknowingly spending the night in the castle of  
Count Dracula.*

**Winter Schedule  
BEGINS SOON!**

**Beginning Monday, November 28** following the week-long Thanksgiving break, school begins at 9:00 am in the morning each day, as follows:

Period 1/2	9:00	-	10:45
Break	10:45	-	11:00
Period 3/4	11:00	-	12:45
Lunch	12:45	-	1:30
Period 5/6	1:30	-	3:10

**Regardless of weather conditions, school will start at 9:00 am.** If there is extensive fog, buses will either be delayed two hours or cancelled. **Classes and instruction, are not delayed.**

A detailed explanation and schedule for foggy day schedules are found on page 6 of this newsletter. If you have any questions concerning the bus schedule please call the District transportation department at 688-2021.

When buses are cancelled due to fog

(Plan C), a teacher will be available at the Adult School portables located on the south side of the Pixley School campus at 1690 E. Court Street (middle portable) from 12:00 noon-3:00 pm to help students with their school work. Teacher Carol Bowman will monitor the students and take attendance which will be forwarded to the high school. Teachers may fax assignments to 757-1952.

In order to attend the Pixley campus portable class, students must:

1. Show their 2016-17 student body card and sign in.
2. Bring school work, and
3. Use the time to work on school assignments.

Any student not utilizing the center as a study hall for school assignments will be asked to leave and no attendance credit will be given.

# Hey Class of 7-Teen :

# Class of 2017!!

When these kids were born, Bill Clinton was in the Oval Office, SpongeBob Square Pants debuted on Nickelodeon, Mark Zuckerberg was 15 years old, and you could still leave your shoes on at the airport. It doesn't seem so long ago, and yet the world these Millennials were born into is vastly different from the dynamic and ever-evolving one they've grown up in. They grew up with computers and the Internet in their homes, which has shaped the way they learn and communicate. Everything is at their fingertips and they have grown accustomed to finding information in a matter of seconds. The advent of smartphones and tablets has further facilitated that instant gratification, and library terms such as "Dewey Decimal System" and "microfiche" are likely Greek to them. Let's celebrate their last year of high school!

**The Winter Formal is moving to a new exciting venue, soon to be announced!** It will be hosted on **Saturday, December 10 from 8:00-11:30 pm. Ticket prices: Single \$20 Couple \$30; or \$40 at the door.** There will be outdoor dancing, a dessert bar, a S'Mores bar and campfire area, photo booth, cozy seating arrangements, and fun lawn games. Photos will be provided by Essence Photography and DJ Services by These Guys-Dominic Avila, Elijah Henningham. All students grades 9-12 are invited.

If your graduating student missed out, **Graduate Services will be back on campus on Tuesday, December 13 to receive make up orders** for graduation caps, gowns, announcements, and other graduation products. You may also order online at [gradservicesltd.com](http://gradservicesltd.com) or by phone: (559) 431-2541. It is important to remember that seniors are required to wear a cap and gown in order to participate in graduation ceremonies.

**Grad Night 2017 at Six Flags Magic Mountain on Friday, May 26!** Mark your calendars and make your deposit. There are only 106 spots available to our senior students at the low price of \$125 (which can be made in 3-easy payments: \$50 non-refundable deposit, \$50 payment and final \$25 payment). The price includes transportation by charter bus, VIP Early Entrance to the park, all-you-can-eat buffet with unlimited rides from 9:00 pm to 5:00 am. Guests will also receive a voucher for free admission to Hurricane Harbor Water Park, as well as a souvenir photo.

The Senior class is currently accepting artistic submissions for the **Class of 2017's class shield and commencement program**, with all submissions due to Senior Advisor Mr. Tom Kellogg in room 58 **by Friday, March 3.**

## of 2017 Graduation Requirements

Participation in the graduation ceremonies including the senior honors assembly, the senior breakfast, and graduation is limited to those students qualifying to earn a diploma from Tulare Union High School on the date their class graduates.

To qualify for a diploma a student must:

- ◆ Complete all district and State of California required coursework through classroom attendance and accrual of credits.
- ◆ Earn a minimum of 220 credits

in the appropriate courses.

- ◆ Pass the high school district's minimum skills requirement.
- ◆ Complete the last semester at Tulare Union High School unless an exception has been granted prior to that last semester by the school and district administrations.

◆ In order to participate in the graduation ceremony, all seniors must maintain a 95% attendance rate (nine days of absences) during their senior year of high school.

We encourage our parents to be

aware of their student's graduation status and if they have any questions or concerns, to contact the Counseling office at their earliest convenience.

# Enroll. Get Care. Renew.

## Health Coverage All Year Long

Timely health information for our Parents and Students

California public schools are required to provide information to families about their health coverage opportunities and enrollment assistance. For your benefit, the information in English and Spanish that informs our families about health coverage options available through Covered California and Medi-Cal as well as how to enroll, get care, and stay enrolled is available at [www.allinforhealth.org/](http://www.allinforhealth.org/) Medi-Cal enrollment is open year round.

### Health Coverage Options:

#### Medi-Cal:

- Children, regardless of immigration status, foster youth, pregnant women, and legally present individuals—including those with DACA status—may be eligible for no- or low-cost Medi-Cal.
- Medi-Cal covers immunizations, checkups, specialists, vision and dental services, and more for children and youth at no- or low-cost.
- Medi-Cal enrollment is available year-round.

#### Covered California:

- Covered California is where legal residents of California can compare quality health plans and choose the one that works best for them.
- Based on income and family size, many Californians may qualify for financial assistance.
- Enroll during Open Enrollment or any time you experience a life-changing event, like losing your job or having a baby. You have 60 days from the event to complete enrollment.

**Undocumented Families:** visit: [www.allinforhealth.org/resources#Undocumented](http://www.allinforhealth.org/resources#Undocumented)

*Immigration status information is kept private, protected, and secure. It will not be used by any immigration agency to enforce immigration laws, but only to determine eligibility for health programs.*

**Enroll:** There are three ways to enroll in Medi-Cal and Covered California:

- [www.coveredca.com](http://www.coveredca.com)
- 1(800) 300-1506
- Find in-person help: [www.coveredca.com/get-help-local/](http://www.coveredca.com/get-help-local/)

#### Get Care:

- Find a primary care doctor in your network.
- Schedule an annual checkup for you and your family.
- Make sure to take your child to the dentist.
- Pay your monthly premium if your plan requires it.

#### Renew:

- Medi-Cal must be renewed every year. Medi-Cal will mail the renewal packet. Complete and return. For help, contact your local Medi-Cal office or call 211.
- Health plans through Covered California must be renewed every year. Renewal information will be mailed at the end of the year, or contact Covered California at 1(800) 300-1506.

## PARENT ENGAGEMENT EDUCATION PROGRAM

A PROCESS OF PARENT EMPOWERMENT

Tulare Union in partnership with the Parent Institute for Quality Education (PIQE) is excited to begin Year 7 of the very successful Parent Engagement Education Program. This program has educated our Tulare Union parents on how to foster a positive educational environment for their children both at home and at school.

The program, which lasts nine weeks and begins on Wednesday, January 18, is **FREE** to parents. Parents who participate learn how to create a positive and lasting educational environment at home using a number of proven academic success tools: dedicating a home study location and time of day for homework; creating ongoing dialog with their kids' surrounding their academic successes and challenges; discussing children's college expectations; and more.

Creating a bridge between home and school is also emphasized. Parents learn about how grades are used for college admittance; what classes are important and needed for children planning to attend college; how to navigate the school system, and other information vital to academic success of their children.

Classes are taught in English and Spanish by professional PIQE facilitators, who are members of the communities they serve. The class series culminates in a parent group meeting with Principal Dr. Michelle Nunley, followed by a PIQE graduation ceremony. Parent graduation is a celebration that is typically very powerful to parents who may not have a formal education, and an opportunity for children to see their parents as graduates themselves.

Since the program's inception in 1987, more than 475,000 parents have graduated from PIQE's programs nationwide and an amazing **1,224 parents have graduated from Tulare Union's PIQE program!** Significant research studies show that PIQE increases children's academic success. We encourage all our parents to come out for PIQE. Mark your calendars for every Wednesday morning or night beginning January 18, 2017.

# SAT CHANGES / ACT FACTS

The College Board made content, format, and scoring changes to the SAT in 2016. The redesigned SAT test prioritizes content that reflects the kind of reading and math students will encounter in college and their future work lives. Below you can find a summary of the changes and see that they are far from a simple return to the 1600 scoring. These changes were implemented to better test the skills and knowledge deemed most important in determining students' readiness for and likelihood of success in college.

1. **Vocabulary Words** - The new SAT left behind obscure terminology, replacing it with more useful vocabulary that students can expect to use throughout their lives.

2. **Interpretation and Use of Evidence** - An important theme throughout the new exam is "evidence-based reasoning." Students will be tested on their ability to understand and combine multiple sources of evidence to answer questions.

3. **Changes to the Essay** - The essay is different in multiple areas: a) It is optional, but will likely be required by some colleges, b) The prompt will remain constant through multiple test dates and be available in advance of the writing date, 3) It will be based on a provided text, from which the student must draw evidence to support their thesis.

4. **Three Primary Math Topics** - Problem Solving and Data Analysis, the Heart of Algebra, Passport to Advanced Math.

5. **Real World Scenarios** - Questions on the new SAT will use real world scenarios. Questions will ask students to correct errors, as well as edit and revise text.

6. **Science and Social Studies** - Students will see questions that apply to a number of subjects, including science, history, and social studies.

7. **Founding Documents and Great Global Conversation** - The new SAT will use text from at least one of the United States founding documents (Declaration of Independence, the Constitution, Bill of Rights), or text related to the "Great Global Conversation about freedom, justice, and human dignity."

8. **No More Penalties** - Students will not be penalized for incorrect or unanswered questions. This will drastically alter test-taking strategies, encouraging students to provide an answer for every single question—even if it's a complete guess—without the concern of point deductions.

SAT registration packets are available in the counseling office or you may register online at [collegeboard.com](http://collegeboard.com).

The ACT is a national college admissions examination that includes 215 multiple-choice questions in the subject areas of English, Mathematics, Reading, and Science and is highly recommended for juniors and seniors. ACT results are accepted by all four-year colleges and universities in the United States.

ACT registration packets are available in the counseling office or you may register online at [actstudent.org](http://actstudent.org).

For a California State University, students are required to take the SAT or ACT test by December 2016.

**SAT Tests will be given at the locations noted below from 8:00 am - 12:00 noon:**

Test Dates	Test	Test Location	Registration Deadline
December 3, 2016	SAT Test & Subject Tests	COS	November 3, 2016
January 21, 2017	SAT Test & Subject Tests	COS	December 21, 2016
March 11, 2017	SAT Test only	COS	February 10, 2017
May 6, 2017	SAT Test & Subject Tests	COS	April 7, 2017
June 3, 2017	SAT Test & Subject Tests	<b>Tulare Union</b>	May 9, 2017

**The ACT Test will be given at Tulare Western High School on April 8, 2017.**

## FAFSA Update

The FAFSA determines a student's eligibility for various loans, grants, scholarships and work study. The government will need time to process the applications before the beginning of the spring semester, so it is a good idea to **complete the application before Thanksgiving.**

Filing the FAFSA is a student's first step in applying for financial aid for college. A FAFSA must be filed before

**each** academic year to be considered for financial aid. **To receive priority funding, the FAFSA should be filed early, but no later than March 2, 2017 (date postmarked).**

The federal government (Pell Grants, Cal Grants, and institutions of higher learning will base their financial aid, grants, loans and work-study on the FAFSA information you submit. Go to [fafsa.ed.gov](http://fafsa.ed.gov) as soon as possible. Tulare Union will host a parent workshop on FAFSA on Wednesday, November 16 at 5:30 pm.

To be considered for a Cal Grant award, students must complete two requirements: their FAFSA must be completed at [fafsa.ed.gov](http://fafsa.ed.gov) by the March 2, 2016 deadline; and, students must ensure that a certified Grade Point Average (GPA) is submitted to the California Student Aid Commission by March 2, 2016. See note in the **GREY** box to the above right-hand side. Cal Grants are awarded to students every year based on student's academic achievement and family income. Be sure to apply!!

*The California Student Aid Commission collects grade point averages and **Social Security numbers** from schools to determine student eligibility for Cal Grants, PELL Grants, and student loans. **SENIORS** will bring home a GPA and Social Security Verification release form.*

**IF YOU PREFER THAT THIS INFORMATION NOT BE RELEASED TO THE COMMISSION, please sign the form and return it to Counseling by November 30. If we do not receive a form back, we will assume this information about your student may be released.**

# Tulare Joint Union High School District FOGGY DAY BUS SCHEDULES

Information regarding foggy day bus schedules can be obtained by:

- Visiting the TJUHSD website. The bus schedule information is in the upper right hand corner of the district homepage located on the internet at <http://www.tulare.k12.ca.us/>
- **Watching TV channels** 18, 24, 26, 30 or 47.
- The Foggy Day Schedule implementation will also be communicated via the **Parent Link App**.

When buses are running on regular schedule, there will be **NO ANNOUNCEMENT**. If you do not see or hear information indicating there is a foggy day schedule you should assume buses are running on regular schedule. The only exception is when fog drops after the buses have already begun their normal routes. In this case, if your bus is more than 20 minutes late, you can assume it is not coming. Check for foggy day schedules. \*Afternoon bus routes never change, even if there is a foggy day schedule in the morning.\*

## PLAN A

- All routes and buses delayed 2 hours. No matter where you are on a country route, just add two hours to your normal pick up time.
- If you live inside the main populated area of the City of Tulare, special foggy day shuttles will run at approximately the same time as the regular morning route. Students will be picked up at or near their regular bus stop just like any other day. See foggy day shuttle schedule below for a list of stops and times.

## PLAN B

- All buses outside the main populated area of the City of Tulare are canceled, with the exception of two buses. One bus will stop at the Pixley Sheriff Substation at 9:30am. The other bus will stop at the Tipton library at 9:45am. ( Pixley – Tipton 3 buses – Avenue 200 1 bus )
- If you live inside the main populated area of the City of Tulare, special foggy day shuttles will run at approximately the same time as the regular morning route. See foggy day shuttle schedule below for a list of stops and times.

## PLAN C

- All buses outside the main populated area of the City of Tulare are canceled.
- If you live inside the main populated area of the City of Tulare, special foggy day shuttles will run at approximately the same time as the regular morning route. See foggy day shuttle schedule below for a list of stops and times.

## PLAN D

- Complete shut down. All buses and routes are cancelled! Farm shuttles will only be allowed to run after Plan D restrictions are lifted.

### FOGGY DAY SHUTTLES

All times listed are for winter schedule which begins November 28, 2016. Until then, stop times will be 1 hour earlier than listed.

Shuttle # 1 (TW)		Shuttle # 4 (TW, TU)		Shuttle # 7 MO/TW
