English learners shall be provided English language development instruction targeted to their English proficiency level and aligned with state content standards. The district's program shall be based on sound instructional theory and adequately supported in order to assist students in accessing the full educational program.

Statement of Non-Discrimination (Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendment of 1972 section 504 of the Rehabilitation Act of 1973): Tulare Joint Union High School District (TJUHSD) does not discriminate against any person on the basis of gender, race, color, religion, national origin, ethnic group, actual or perceived sexual orientation, marital or parental status, physical or mental disability. TJUHSD will take steps to assure that the lack of English will not be a barrier to admission and participation in District programs.
Identification and Assessment

The Superintendent or designee shall maintain procedures which provide for the accurate identification of English learners and an assessment of their proficiency and needs in the areas of listening, speaking, reading, and writing in English.

Once identified as an English learner, a student shall be annually assessed for language proficiency until he/she is reclassified based on criteria specified in administrative regulation.

English learners' academic achievement in English language arts, mathematics, science, and any additional subject required by law shall be assessed using the California Assessment of Student Performance and Progress. As necessary, the test shall be administered with allowable testing variations in accordance with 5 CCR 853.5 and 853.7. English learners who are in their first 12 months of attending a school in the United States shall be exempted from taking the English language arts assessment to the extent allowed by federal law. (Education Code 60603, 60640; 5 CCR 853.5, 853.7)

(cf. 6152.51 - State Academic Achievement Tests)

Placement of English Learners

Students who are English learners shall be educated through "sheltered English immersion" or (also known as "structured English immersion"), as defined in law and the accompanying administrative regulation, for a temporary transition period not normally intended to exceed one year. Nearly all of the classroom instruction in the district's English immersion program shall be in English, but with the curriculum and presentation designed for students who are learning the language. (Education Code 305-306)

"Nearly all," for the purpose of determining the amount of instruction to be conducted in English, means that all classroom instruction shall be conducted in English except for clarification, explanation, and support as needed.

When an English learner has acquired a reasonable level of English proficiency as measured by any of the state-designated assessments approved by the California Department of Education, any district assessments, and/or other criteria adopted by the Board, he/she shall be transferred from a structured English immersion classroom to an English language mainstream classroom in which the instruction is overwhelmingly in English. (Education Code 305-306; 5 CCR 11301)

(cf. 6162.5 - Student Assessment)

An English learner has acquired a "reasonable level of English proficiency" when he/she has achieved the following:

1. Has scored a 4 or 5 on the CELDT
2. Has passed the ELA section of the CAHSEE

At any time during the school year, the parent/guardian of an English learner may have his/her child...
moved into an English language mainstream classroom. (5 CCR 11301)

**Parental Exception Waivers**

When allowed by law, the parent/guardian of an English learner may submit a request that his/her child be exempted from placement in a structured English immersion program and instead be placed in a class where he/she is taught English and other subjects through bilingual education techniques or other generally recognized educational methodologies permitted by law. (Education Code 310-311)

Each waiver request shall be considered on its individual merits with deference given to parental preference for student placement.

A waiver request shall be granted in accordance with law unless the principal and educational staff have determined that an alternative program would not be better suited to the student's overall educational development. (5 CCR 11309)

If the Superintendent or designee denies the waiver request, he/she shall provide a written justification to the parent/guardian describing the reasons for the denial. A parent/guardian may appeal the decision in writing to the Board. The Board may consider the matter at its next regular Board meeting. The Board may decide not to hear the appeal, in which case the Superintendent's decision shall be final. If the Board hears the appeal, the Superintendent shall send the Board's decision to the parent/guardian within seven working days.

**Program Evaluation**

To evaluate the effectiveness of the district's educational program for English learners, the Superintendent or designee shall report to the Board, at least annually, regarding:

1. Progress of English learners towards proficiency in English

2. The number and percentage of English learners reclassified as fluent English proficient

3. The number and percentage of English learners who are or are at risk of being classified as long-term English learners in accordance with Education Code 313.1

4. The achievement of English learners on standards-based tests in core curricular areas

5. Progress toward any other goals for English learners identified in the district's LCAP

6. A comparison of current data with data from at least the previous year.

The Superintendent or designee also shall provide the Board with regular reports from any district or schoolwide English learner advisory committees.
Statement of Non-Discrimination (Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendment of 1972 section 504 of the Rehabilitation Act of 1973): Tulare Joint Union High School District (TJUHSD) does not discriminate against any person on the basis of gender, race, color, religion, national origin, ethnic group, actual or perceived sexual orientation, marital or parental status, physical or mental disability. TJUHSD will take steps to assure that the lack of English will not be a barrier to admission and participation in District programs.

(20 USC 7012)

Parental Exception Waivers

1. The student already possesses good English language skills, as measured by standardized tests of English vocabulary comprehension, reading, and writing, in which the student scores at or above the state average for his/her grade level or at or above the fifth-grade average, whichever is lower.

2. The student is age 10 years or older, and it is the informed belief of the school principal and educational staff that an alternate course of study would be better suited to the student's rapid acquisition of basic English skills.

3. The student already has been placed, for a period of not less than 30 calendar days during that school year, in an English language classroom and it is subsequently the informed belief of the principal and educational staff that the student has special physical, emotional, psychological, or educational needs and that an alternate course of educational study would be better suited to the student's overall educational development.

The notice shall include a full description of the recommended alternative program and the educational materials to be used for the alternative program as well as a description of all other programs available to the student. If the parent/guardian elects to request the alternative program recommended by the principal and educational staff, the parent/guardian shall comply with district
