

TULARE JOINT UNION HIGH SCHOOL DISTRICT BUS SCHEDULE

The district is anxious to provide as much opportunity as is economically feasible for students who reside a long distance from campus to attend and participate in school activities. The district operates an extensive transportation system to transport students to and from school and many activities away from campus.

Bus service is provided to:

- Students who live more than two (2) miles walking distance from school
- Students in certain special education programs

It is very important to note that ***no student will be permitted to ride any bus but their own***, without a note signed by the principal or assistant principal. Please note that students who receive permission to attend a school outside their attendance area must provide their transportation to and from school. No student will ride a bus without their ID and pass.

Seat belt use if equipped on buses by law is mandatory at all times when the bus is in motion. This will be enforced.

TRANSPORTATION DEPARTURE SCHEDULES

These are the daily morning bus schedules for Tulare, Pixley, Tipton and cross-town school buses between the high schools. **It is important to note that the times and stops are subject to change.** If you have any questions about the bus stops, please contact the transportation department at 688.2021 ext. 2023 or 2009. **Students are required to be at their bus stop at least ten (10) minutes prior to bus arrival.**

*******The country bus stop times and locations are determined just prior to school starting back and/or at the beginning of school due to new students and/or graduation of previous bus riders. If country students are returning bus riders please be at your bus stop location 15 minutes earlier than last year until we make the necessary additions and drops to our bus routes. The bus driver will be communicating with the students of updated times and locations.*******
