

# Noble's Road to Reopening Plan

Wednesday, July 29, 2020  
7pm

# School Reopening Guidance

- This guidance is based upon these four priorities that we have identified.
  - Safety
  - Education
  - Continuity of Education
  - Family Feedback

# Safety

- Your child's safety is our first priority. Using the CDC guidelines as our springboard, we decided to take even further precautions to ensure the safety of our students and staff.

# Education

- Providing comprehensive and meaningful educational opportunities for each individual student.

# Continuity of Education

- The situation with the pandemic is fluid and ever-changing. We are looking to endure not just the safety of our students and their families, but continuity of education regardless of the circumstances that may arise in the future.

# Family Feedback

- Based on families' feedback and the wide spectrum of comfort levels and scheduling issues, we are set up to accommodate different concerns.

## Just a few rules:

- Please mute yourself upon entering.
- Please hold all questions and comments until the presentation is over.
- You can submit questions through the chat on the side of the Zoom Call.

# Phases for Reopening

(Dependent upon number of cases and recommendation by Health Department/CDC)

- Phase 0
  - Mandatory Shutdown of Facility. All students on remote learning.
- Phase 1
  - Facility Open, Maximum Restrictions in Classrooms. No Outside visitors are allowed on site.
- Phase 2
  - Facility Open, Restrictions in Classrooms. No walk-ins and only pre-scheduled parent meetings allowed on-site.
- Phase 3
  - Facility Open. No walk-ins and only pre-scheduled parent meetings allowed on-site. Cafeteria will be utilized. Recess Resumes.
- Phase 4
  - Facility Open, Resume New Normal Operations

## 3 Potential Options for our Noble Parents to Choose From In Our Simultaneous Learning Options:

- Remote Learning Option
- In-School Learning Option
- Hybrid Learning Option

# Remote Learning Option

- This option will operate on a Monday-Friday from 8am-1pm learning model.
  - Students will have access to ask additional questions to staff members from 1pm-2:30pm.

# In-School Learning Option

- Classes will be Monday-Friday from 8am-1pm.
- Students will report to morning lineup in the parking lot starting at 7:45am on days when the temperature is above 40F. When the temperature is below 40F the Elementary School will report to the Gym and the Middle/High School will report to the Cafeteria.
- Anyone entering the building is required to wear a face mask, have their temperature and picture taken by the Thermal ID scanners at the door.
  - If you have a temperature above 100F, you will not be permitted into the building. Students will be isolated from general population with supervision. Parents will be required to immediately pickup child.
- Students will be required to wear facemasks/coverings within the hallways between class periods.

# In-School Learning Option (Elementary School)

- Classes are capped at 15 slots maximum for in-school learning.
  - Students will remain in their homeroom for all classes.
  - Students will be instructed on and required to maintain social distancing rules of 6ft for the entire day.
  - Students are required to bring baby wipes for bathroom use to wipe down seats before and after use.

# In-School Learning Option (Middle/High School)

- Classes are capped at 12 slots maximum for in-school learning.
- In Phase 1, there will be no hands-on Academic labs for 6<sup>th</sup>-12<sup>th</sup> Grade students.
- Once the school day begins, students will not be permitted to move freely between buildings.
- Students will remain in their homeroom for the duration of the day.

# Hybrid Learning Option

- Hybrid Learning means your child will be in school for 2 days of in-school learning with a rotating learning on Friday and remotely learning for 2 days of the week.
- If a family chooses hybrid learning, you will be assigned to either Group A or Group B.
  - You will be provided a calendar that informs you of which days you have been assigned.

# GYM CLASSES

- Social distancing rules will be followed.
- Equipment will not be used at this time.
- Classes will focus on movement, strengthening, and physical fitness without the use of equipment.

# CAFETERIA

- The cafeteria will not be utilized for breakfast or lunch during phase 1.
- Students will have their breakfast/ snack & lunch periods in their homerooms.

# COMPUTER CLASSES

- All equipment used will be disinfected between classes.

# DISMISSAL PROCEDURES

- If the temperature is above 40F and weather permitting, dismissal will take place in the parking lot.
- If the temperature is below 40F or weather is not suitable, students will remain in their homeroom until they are called for pickup.
  - Each family will be provided with 3 copies of their Family ID card stating the names of their children. This is the security clearance for releasing your children to you. Unless the Office is notified of a change prior to dismissal time via email to [info@noblela.org](mailto:info@noblela.org), no children will be dismissed without proper clearance. You will present this card to the on-duty staff member, curbside.

# PPE & Disinfecting

- There will be a \$100 PPE fee per student.
- Each homeroom class will be provided:
  - 1 non-contact, thermal thermometer
  - 1 complete first aid kit
  - Unlimited supply of student safe, disinfecting solution/spray and paper towels
- The school will provide:
  - Disposable masks if a student requires one.

# FAQs-What happens if someone tests positive for COVID-19 within the school?

- We will adhere to the guidelines disseminated by the CDC and New Jersey Department of Education.

# FAQs- Why is the day Ending at 1pm?

- We are shortening the day to end at 1pm for several reasons.
  - Students will be cooped up in their classrooms each day. Sitting in the same 6ft square for almost 8 hours a day is not good for their health.
  - We have to avoid the necessity to make wudu in the bathrooms due to limited space in our facility.
  - We need enough time to properly disinfect the entire school daily.
  - We need to offer support for our online learners.

# FAQs- If a student is registered for in-school learning, can they swap to remote learning during the year or vice versa?

- Yes you can switch from in school learning to permanently remote learning.
- Yes you can switch from remote learning to in-school learning if there is a space in the classroom.
- Yes you can switch from remote learning to hybrid learning if there is a space in the classroom.
- Safety is our priority. We will be strictly adhering to class size limitations.

# FAQs- Will uniform be required for Remote Learners?

- On-site students will be required to wear the appropriate uniform.
- Remote learners will be required to wear Islamically-appropriate clothing in accordance to our uniform guidelines.

# YOUR NEXT STEPS

- The Office will be sending out an emailed survey to determine if your family will be participate in remote, in-school, or hybrid learning.
- We highly recommend that decisions are made prior to August 17, 2020 so that we can properly prepare for the Fall.

# If you have any further questions:

- Please contact the Reopening Committee at [info@noblela.org](mailto:info@noblela.org).
