School Description

Our fundamental purpose is to amplify the social, emotional and intellectual growth for every member of our learning community every single day. Sierra Vista staff will provide daily opportunities for meaningful learning experiences through the practice of compassion, integrity, and acceptance, while supporting the need of our students, staff and families

Sierra Vista School is one of 14 schools in the Upland Unified School District. Sierra Vista is a Title One school. We are located at the base of the San Gabriel Mountains in the northeast section of the City of Upland, and we have a rich and diverse population that is a mixture of residential homes, apartments, townhomes / condominiums, and commercial buildings. Our student population of 515, which includes grades Pre- Kindergarten through 6th, reflects the changing demographics of our community. We value the rich experiences and opportunities that our diversity offers as we learn, play, and work together. Everything that we do is designed for your child to get maximum benefit and enjoyment at school. Education is a collaborative process that requires time and effective communication between home and school.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the site's repairs, maintenance projects, and work order requests are performed by district maintenance personnel. Emergency situations are immediately resolved by the district maintenance staff or outside contractors, based upon the nature of the problem.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	58	56	53	53	50	50
Math	41	35	39	39	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	22.0	18.6	18.6

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

One of the most important things a family can do to support their child's education is to be actively involved in the day-to-day operations of their school career. At our school we always encourage parent involvement in PTA, which meets once a month after school, and our ELAC/ School Site Council, which meet 7 times a year.

Sierra Vista holds annual Family Education Nights throughout the school year. These allow specialists to share strategies for parents to use at home for behavior and academic growth. In The principal also connects with families through her "Pastries with the Principal" meetings where parents have the opportunity to ask questions and do classroom walk-throughs.

Additionally, we have annual family fun nights at our school and family dine out nights at local restaurants.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

A safe and orderly environment is one characteristic of an effective school. Sierra Vista Elementary School is committed to the safety and security of our students, staff, and parents. We are proactive by planning for almost any situation. The district office coordinates the development, annual review, and updating of the district-wide Comprehensive Safety Plan through a committee comprised of school representatives. Sierra Vista Elementary School's Safety Committee modifies the district plan and aligns procedures and routines for specific site needs. This plan is reviewed monthly and adjustments are shared and implemented with all staff at monthly meetings.

The comprehensive plan addresses various emergency situations and outlines procedures and policies related to topics such as air pollution, bees, bomb threats, bus accidents, chemical accidents, earthquake, electrical power outage, explosion, falling aircraft, fire, flood, hostage situation, windstorm, staff emergency and safety team responsibilities. We regularly practice safety drills and work actively to prevent unsafe situations. accidents, chemical accidents, earthquake, electrical power outage, explosion, falling aircraft, fire, flood, hostage situation, windstorm, staff emergency and safety team responsibilities. Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

The Upland Unified School District believes that high quality, research-based professional development is essential to continuous improvement of teaching skills and concepts. The District provides or coordinates on-going training based on needs identified through student performance indicators, including results of the California Assessment of Student Performance and Progress, the English Language Proficiency Assessments for California, District iReady benchmark assessments, and input from sites regarding specific needs. Professional development is aligned with the District Strategic Plan for Student Achievement and Board goals. Teachers, paraprofessionals and administrators participate in workshops, and conferences that allow them to grow professionally and provide opportunities for collegial sharing. Regular meetings of teacher leaders in literacy, mathematics, reading intervention and technology as well as follow-up coaching support full implementation of training. Additionally, each school provides time for teacher collaboration on student achievement data, curriculum development, and review of classroom-based performance measures. Examples of workshops and coaching implemented as the result of analysis of student achievement include: Effective Teaching Strategies, Classroom Management, Curriculum Alignment and Mapping, English Language Development, AVID, Thinking Maps, Positive Behavior Intervention Support, Social Emotional Learning, 21st Century Classroom Technology, Common Core State Standards, Next Generation Science Standards, Modeling Academic Language, Universal Design for Learning, and Parent Engagement. Staff members participate in professional development in all-day workshops, after-school workshops and meetings, individual coaching/mentoring, and off-site conferences. The Induction (formerly BTSA) program provides support to new teachers. The Peer Assistance and Review Program is available to provide support to teachers in the areas of content knowledge and teaching strategies. Currently, the District calendar includes a collaboration day schedule each week to allow for on-going teacher dialogue and collaboration to meet student needs.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Types of Services Funded

Sierra Vista Elementary School receives funding for regular and supplementary educational programs. Our categorical funds consist of LCAP funding, Title I and Title III. The following special programs are offered at the school: English Language Learner program (ELL), Resource Specialist (RSP) , band, Gifted and Talented Education (GATE), AVID, and District provided P.E. instruction in grades 1-6. The school district also provides the following services to students: health services, library assistance, crisis intervention, and psychological services. Community support is an integral part of the program at Sierra Vista. PTA sponsors assemblies and field trips for our students.
