Coronavirus (COVID-19) Communication #4

MARCH 11, 2020

Dear Upland Unified Families and Staff:

As we continue to closely monitor information and developments regarding the coronavirus (COVID-19), the Upland Unified School District is taking additional steps – out of an abundance of caution – to further safeguard our students, staff and campuses.

Effective immediately, we are temporarily halting air travel and conference attendance for District staff and students. These restrictions will be in effect through April 12, at which time they will be re-evaluated.

In addition, four large upcoming events are being rescheduled. They are:

March 12-District Choral Showcase
March 19-District Band Showcase
March 26-Upland Junior High College Night
April 15-Upland Junior High Carnival

Meanwhile, class field trips will be evaluated on a case-by case basis.

We understand the distraction this could cause, particularly because there has been extensive planning and preparation. However, the safety and well-being of our students, staff and campuses is our No. 1 priority.

We will continue to make decisions as developments emerge regarding the coronavirus outbreak. We continue to monitor information as it is made available by the San Bernardino County Office of Education, San Bernardino County Department of Public Health, the California Department of Education, and the Centers for Disease Control and Prevention.

We will continue to keep you updated via emails and the District website. For additional information, you can also access the following websites:
