### **School Description**

Cabrillo Elementary is a family-centered school located in the foothill community of Upland near the western border of San Bernardino County. Cabrillo currently has a student population of 565 students making it the second-largest elementary school in Upland Unified. Cabrillo celebrates its diverse population which provides our students with the opportunity to interact with many different cultures. Cabrillo represents a close-knit community that includes homes and businesses. Approximately 76.5% of our students receive free or reduced lunch. Breakfast is provided at no cost to all students at Cabrillo.

Cabrillo is committed to educating the whole child with an equitable emphasis on academics, behavior, and social-emotional well being. We strive to provide a safe environment where scholars will become responsible, respectful, and confident life long learners. We believe in a fully inclusive environment dedicated to the success of ALL students. We see our students as individuals and we provide interventions in all areas to meet our students where they are and help them to become college and career-ready. We have a college-going culture that emphasizes ALL students are able to go to college through hard work and perseverance. Through our school-wide behavior expectations, our students are taught how to be prepared and responsible, to act respectfully, to work hard, and to stay safe. We provide universal access to research-based curriculum in all academic areas. In addition, we provide our students with opportunities to work with the most current strategies for social-emotional well being. Students are provided with one-to-one access to technology giving them the opportunity to experience engaging and relevant instruction. Cabrillo Elementary creates a community of support that focuses on a strong first instruction and identifies and intervenes early to help all students succeed academically, behaviorally, and socio-emotionally.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the site's repairs, maintenance projects, and work order requests are performed by district maintenance personnel. Emergency situations are immediately resolved by the district maintenance staff or outside contractors, based upon the nature of the problem.

**School Facility Good Repair Status (Most Recent Year)**Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

##### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	45	N/A	53	N/A	50	N/A
Math	31	N/A	39	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

Cabrillo offers multiple opportunities for parent involvement in the school. We have several committees that work at the school with the most visible being our Parent Teacher Association, PTA. This group supports fundraising activities as well as welfare activities in our community. They provide programs for the school, books for the library, music instruction, and support wherever it is needed. We additionally have regular School Site Council and ELAC meetings to review and discuss our categorical programs, our needs and to learn more about our instructional programs at every grade level. Cabrillo implements the WatchDog Dads, a nationally recognized program that gets more dads involved in school as parent volunteers. We have a school website that provides parents with resources, a yearly calendar, and frequently asked questions about our school. Opportunities for parents are also available at Back-to-School-Night and Open House. All parent opportunities include translation in Spanish. Additionally, the doors of Cabrillo are open for any parent to volunteer in our workroom or in a classroom in any way they feel comfortable. Cabrillo has a family and community engagement team that focuses on providing more opportunities to grow and expand our family and community engagement.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

The campus of Cabrillo Elementary provides a safe and positive learning environment for all students. The District provides a safety plan developed by school representatives. Every September at our first staff meeting, our safety committee reviews the plan with our staff and discusses any revisions or updated items. Our safety committee modifies the district plan to align procedures and routines for specific site needs. Cabrillo's safety committee meets on a monthly basis making sure that the safety plan is modified and kept current as different needs arise. We have a district safety committee representative for our school that attends all district safety meetings and keep staff updated and informed on any new information. The plan is reviewed during the year and adjustments are shared after each district safety meeting. Specific safety objectives are practiced to mastery each month through school-side drills and practices. Objectives for drills include student behavior and procedures, attendance, and search and sweep procedures. Cabrillo is a closed campus to ensure that all students and staff are safe and secure. All parent volunteers must check in at the office.

In the past couple of years, Cabrillo has introduced various types of lockdown drills, including ones for an active shooter. At the beginning of the school year, all students are brought into an assembly where changes or additions of new drills are reviewed and discussed with all students and staff.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	2.3	5.3	3.2	4.5	3.5	3.5
Expulsions	0.0	0.0	0.1	0.1	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			
Expulsions			

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**D. Other SARC Information**

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4

The Upland Unified School District believes that high quality, evidence-based professional learning for all is essential to the continuous improvement of teaching skills and concepts to improve student achievement. The District provides or coordinates on-going training based on needs identified through student performance indicators, including results of the California Assessment of Student Performance and Progress, the English Language Proficiency Assessments for California, District iReady benchmark assessments, and input from sites regarding specific needs. Professional learning is aligned with the District Strategic Plan for Student Achievement and Board goals. Teachers, paraprofessionals, child care providers, substitutes, clerical staff, and administrators participate in workshops, and conferences that allow them to grow professionally and provide opportunities for collegial sharing. Regular meetings of teacher leaders in literacy, mathematics, reading intervention, and technology as well as follow-up coaching support full implementation of training. Additionally, each school provides time for teacher collaboration on student achievement data, curriculum development, and review of classroom-based performance measures. Examples of workshops and coaching implemented as the result of analysis of student achievement include: Effective Teaching Strategies, Classroom Management, Curriculum Alignment, and Mapping, English Language Development, AVID, Thinking Maps, Positive Behavior Intervention Support, Social-Emotional Learning, 21st Century Classroom Technology, Common Core State Standards, Next Generation Science Standards, Modeling Academic Language, Universal Design for Learning, and Parent Engagement. Staff members participate in professional learning in all-day workshops, after-school workshops and meetings, individual coaching/mentoring, and off-site conferences, both in person and virtually. The Induction program provides support to new teachers. The Peer Assistance and Review Program is available to provide support to teachers in the areas of content knowledge and teaching strategies. Currently, the District calendar includes a collaboration day schedule each week to allow for on-going teacher dialogue and collaboration to meet student needs.

### Types of Services Funded

Cabrillo Elementary receives funding for regular and supplementary educational programs. The following special programs are offered at the school: English Language Learner afterschool program, an intervention and enrichment block including our Literacy Lab, and our Resource Specialist program. We also provide services such as health services, library assistance, and psychological services. Our intervention and enrichment block (Cougar Club) is a successful program that helps to meet the needs of all students. It is funded through categorical programs. It is lead by our Reading Specialist and includes our general education teachers, our RSP teacher, and six categorical instructional aides. Students receive instruction in small group settings in reading comprehension, reading fluency or phonemic awareness. Our English Language Learner Instructional Aide provides an afterschool program to assist our English Learners with ELA and math. It is also through categorical funding that we have been able to provide extensive staff development in order to continually improve and strengthen our core instruction. Teachers are allowed release time to collaborate and plan in order to meet the academic, behavioral, and social-emotional needs of ALL of our students.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
