School Description

Citrus Elementary School is one of 14 schools in the Upland Unified School District, located at the base of the San Gabriel Mountains in the city of Upland. Citrus Elementary is situated amongst a mixture of residential single dwelling homes, apartments, condominiums and commercial buildings. Our student population reflects the demographics of our community and we value the rich experiences and opportunities that our diversity offers as we learn, play and work together.

Vision Statement: "We envision a positive, collaborative community that prepares all students for success via high learning expectations in a nurturing, safe, and fair environment."

Mission Statement: The Citrus Elementary School staff pride themselves on providing an atmosphere that promotes cooperation and collaboration among community members, students and staff. Our expectation is that students will be provided a rigorous and challenging curriculum utilizing best practices and differentiated instruction so all students thrive. We appreciate and embrace all differences, celebrate and nurture diversity and weave character and values through our work. We will provide a safe and nurturing environment in which students, staff and community feel a sense of security; physically, mentally and emotionally, and build the tools and skills necessary for our students to be competitive in educational endeavors and productive members of society.

Goal: Every student achieves one or more years growth for numeracy (mathematical thinking and application) and literacy (reading, writing, listening and speaking), and the percent of students meeting and exceeding standards on standardized assessments increases.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the site's repairs, maintenance projects, and work order requests are performed by district maintenance personnel. Emergency situations are immediately resolved by the district maintenance staff or outside contractors, based upon the nature of the problem.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month in which data were collected: April 2020

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	35	N/A	53	N/A	50	N/A
Math	22	N/A	39	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Citrus Elementary believes there is great value in working in partnership with the families and community we serve. To build community, Citrus has regular Q & A virtual sessions where parents and care-givers can learn about the school and ask questions, share concerns or compliments about the school and its practices. The principal also strives to build strong partnerships with teachers, parents and the surrounding community. We currently have partnerships with Staples, Children's Foundation of America, Walmart, and Kiwanis of Upland. Monthly PTA, School Site Council and ELAC meetings encourage parents to actively contribute to the school community.

A school website allows parents with resources, a calendars, and frequently asked questions about our school and is updated regularly to provide up-to-date information to parents. Opportunities for parents are also available at Back-to-School-Night and Open House. All parent opportunities include translation in Spanish and other languages as needed.

Additionally, we host Family Education nights each month throughout the school year with a focus on our three goals: Social Emotional Learning, Numeracy, and Literacy. These allow specialists to share strategies for parents to use at home for behavior and academic growth. It is our goal for parents to feel they are valued members of the learning community. In an effort to support our families, we partner with the district's Healthy Start program for additional resources.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

A safe and orderly environment is one characteristic of an effective school. Citrus Elementary is committed to the safety and security of our students, staff and parents. We are proactive by planning and preparing for a variety of situations. The district office coordinates the development, annual review and updating of the district-wide Comprehensive Safety Plan through a committee comprised of school representatives. Citrus Elementary School's safety committee modifies the district plan and aligns procedures and routines for specific site needs. This plan is reviewed often and adjustments are shared and implemented with all staff at meetings. The Comprehensive Plan addresses various emergency situations and outlines procedures and policies related to topics such as air pollution, bees, bomb threats, bus accidents, chemical accidents, earthquakes, electrical power outage, explosion, falling aircraft, fire, flood, hostage situations, windstorms, staff emergencies and safety team responsibilities. We regularly practice safety drills and work to prevent unsafe situations.

Suspensions			
Expulsions			

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4

The Upland Unified School District believes that high quality, evidenced-based professional learning for all is essential to continuous improvement of teaching skills and concepts to improve student achievement. The District provides or coordinates on-going training based on needs identified through student performance indicators, including results of the California Assessment of Student Performance and Progress, the English Language Proficiency Assessments for California, District iReady benchmark assessments, and input from sites regarding specific needs. Professional learning is aligned with the District Strategic Plan for Student Achievement and Board goals.

Teachers, paraprofessionals, child care providers, substitutes, clerical staff and administrators participate in workshops, and conferences that allow them to grow professionally and provide opportunities for collegial sharing. Regular meetings of teacher leaders in literacy, mathematics, reading intervention and technology as well as follow-up coaching support full implementation of training. Additionally, each school provides time for teacher collaboration on student achievement data, curriculum development, and review of classroom-based performance measures. Examples of workshops and coaching implemented as the result of analysis of student achievement include: Effective Teaching Strategies, Classroom Management, Curriculum Alignment and Mapping, English Language Development, AVID, Thinking Maps, Positive Behavior Intervention Support, Social Emotional Learning, 21st Century Classroom Technology, Common Core State Standards, Next Generation Science Standards, Modeling Academic Language, Universal Design for Learning, and Parent Engagement. Staff members participate in professional learning in all-day workshops, after-school workshops and meetings, individual coaching/mentoring, and off-site conferences, both in person and virtually. The Induction program provides support to new teachers. The Peer Assistance and Review Program is available to provide support to teachers in the areas of content knowledge and teaching strategies. Currently, the District calendar includes a collaboration day schedule each week to allow for on-going teacher dialogue and collaboration to meet student needs.

Types of Services Funded

Citrus Elementary receives categorical funding through Federal and State grants including: Title 1 budget which is for targeted assistance and support of students at risk of not meeting academic standards and identified as low-income. English Learner/Low income Budget, which has been established to provide additional funding to increase or improve services for English Language learners, Low income, or Foster Youth. Decisions to use the funds are based on student performance data to determine the greatest need and provide the programs to meet those needs. The plan for using the site funds is approved by the site Leadership Team and our School Site Council. Programs provided include: Tier 3 small group reading intervention provided by Reading Specialist and instructional aides, study trips, PBIS materials (for example: school-wide behavior expectation matrix customized to meet the needs of Citrus Elementary), and Thinking Maps/Write from the Beginning and Beyond programs. This 2020-2021 school year Citrus continues to use one time CSI funding.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California’s new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California’s diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
