### **School Description**

Our fundamental purpose is to amplify the social, emotional and intellectual growth for every member of our learning community every single day. Sierra Vista staff will provide daily opportunities for meaningful learning experiences through the practice of compassion, integrity, and acceptance, while supporting the need of our students, staff and families

Sierra Vista School is one of 14 schools in the Upland Unified School District. Sierra Vista is a Title I school. We are located at the base of the San Gabriel Mountains in the northeast section of the City of Upland, and we have a rich and diverse population that is a mixture of residential homes, apartments, townhomes / condominiums, and commercial buildings. Our student population of 515, which includes grades Pre- Kindergarten through 6th, reflects the changing demographics of our community. We value the rich experiences and opportunities that our diversity offers as we learn, play, and work together. Everything that we do is designed for your child to get maximum benefit and enjoyment at school. Education is a collaborative process that requires time and effective communication between home and school.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the site's repairs, maintenance projects, and work order requests are inputted by site office manager, and custodial personnel. Most repairs are performed by district maintenance personnel. Emergency situations are immediately resolved by the district maintenance staff or outside contractors, based upon the nature of the problem.

**School Facility Good Repair Status (Most Recent Year)**Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

**Year and month in which data were collected: March 2020**

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

##### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	56	N/A	53	N/A	50	N/A
Math	35	N/A	39	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

One of the most important things a family can do to support their child's education is to be actively involved in the day-to-day operations of their school career. At our school we always encourage parent involvement in PTA, which meets once a month after school, and our ELAC/ School Site Council, which meet 7 times a year.

Sierra Vista holds annual Family Education Nights throughout the school year. These allow specialists to share strategies for parents to use at home for behavior and academic growth in the way of a Literacy and Math Night. In The principal also connects with families through her "The Rubert Report" meetings where parents have the opportunity to ask questions and do classroom walk-throughs when in person school is in session. Currently the meetings are being help in the evening as a video conference.

Additionally, we have an annua, talent show, family fun nights at our school and family dine out nights at local restaurants. We strive to have at least 1 event each month to in encourage families to join us on campus. We are strong believers that parent engagement directly correlates to student engagement.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

A safe and orderly environment is one characteristic of an effective school. Sierra Vista Elementary School is committed to the safety and security of our students, staff, and parents. We are proactive by planning for almost any situation. The district office coordinates the development, annual review, and updating of the district-wide Comprehensive Safety Plan through a committee comprised of school representatives. Sierra Vista Elementary School's Safety Committee modifies the district plan and aligns procedures and routines for specific site needs. This plan is reviewed monthly with our site safety team and adjustments are shared and implemented with all staff at monthly meetings.

The comprehensive plan addresses various emergency situations and outlines procedures and policies related to topics such as air pollution, bees, bomb threats, bus accidents, chemical accidents, earthquake, electrical power outage, explosion, falling aircraft, fire, flood, hostage situation, windstorm, staff emergency and safety team responsibilities. We regularly practice safety drills and work actively to prevent unsafe situations.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.4	2.1	3.2	4.5	3.5	3.5
Expulsions	0.0	0.2	0.1	0.1	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			
Expulsions	0	0	0

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**D. Other SARC Information**

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

**Ratio of Pupils to Academic Counselor (School Year 2019-2020)**

Title	Ratio
Academic Counselor*	0

\*One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4

The Upland Unified School District believes that high quality, evidenced-based professional learning for all is essential to continuous improvement of teaching skills and concepts to improve student achievement. The District provides or coordinates on-going training based on needs identified through student performance indicators, including results of the California Assessment of Student Performance and Progress, the English Language Proficiency Assessments for California, District iReady benchmark assessments, and input from sites regarding specific needs. Professional learning is aligned with the District Strategic Plan for Student Achievement and Board goals. Teachers, paraprofessionals, child care providers, substitutes, clerical staff and administrators participate in workshops, and conferences that allow them to grow professionally and provide opportunities for collegial sharing. Regular meetings of teacher leaders in literacy, mathematics, reading intervention and technology as well as follow-up coaching support full implementation of training. Additionally, each school provides time for teacher collaboration on student achievement data, curriculum development, and review of classroom-based performance measures. Examples of workshops and coaching implemented as the result of analysis of student achievement include: Effective Teaching Strategies, Classroom Management, Curriculum Alignment and Mapping, English Language Development, AVID, Thinking Maps, Positive Behavior Intervention Support, Social Emotional Learning, 21st Century Classroom Technology, Common Core State Standards, Next Generation Science Standards, Modeling Academic Language, Universal Design for Learning, and Parent Engagement. Staff members participate in professional learning in all-day workshops, after-school workshops and meetings, individual coaching/mentoring, and off-site conferences, both in person and virtually. The Induction program provides support to new teachers. The Peer Assistance and Review Program is available to provide support to teachers in the areas of content knowledge and teaching strategies. Currently, the District calendar includes a collaboration day schedule each week to allow for on-going teacher dialogue and collaboration to meet student needs.

**Types of Services Funded**

Sierra Vista Elementary School receives funding for regular and supplementary educational programs. Our categorical funds consist of LCAP funding, and Title I . The following special programs are offered at the school: English Language Learner program (ELL), Resource Specialist (RSP) , Reading Specialist (Lit Lab), band, chorus, Gifted and Talented Education (GATE), AVID, and District provided Elementary P.E. instruction in grades 1-6. The school district also provides the following services to students: health services, library assistance, crisis intervention, and psychological services. Community support is an integral part of the program at Sierra Vista. PTA sponsors assemblies and field trips for our students.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California’s new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California’s diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
