Currently there are 23 classrooms of students in transitional kindergarten through sixth grade, and two specialized academic instruction classrooms for students in grades first through sixth. The school community is very supportive, both through PTA and a large group of dedicated parent volunteers. The staff is committed to their students and strives to move all students towards the proficiency of standards, challenge advanced students, develop a Professional Learning Community and explore ways to support students through Multi-tiered System of Support and Universal Design for Learning. Resources have been aligned to support student achievement and staff development activities are numerous. Valencia Elementary School welcomes approximately 580 students from a variety of backgrounds. Our culturally diverse population consists of 11% Asian, 1.6% African-American, 31.6% Hispanic or Latino, and 48.2% Caucasian.

The Upland Unified School District's mission statement is, "Every Single Student...Every Single Day." Our goal is that all students will acquire and apply knowledge in preparation for college and career. Student achievement results will show mastery of standards by individual students as well as by student sub-groups. It is Valencia's goal to educate students to reach their highest potential, thereby ensuring a successful future. Valencia Elementary School is dedicated to promoting academic achievement and positive social behavior by creating a safe, nurturing community of students, staff, and families. We are here to learn, grow, and become good citizens.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

**School Facility Conditions and Planned Improvements (Most Recent Year)**

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the site's repairs, maintenance projects, and work order requests are performed by district maintenance personnel. Emergency situations are immediately resolved by the district maintenance staff or outside contractors, based upon the nature of the problem.

**School Facility Good Repair Status (Most Recent Year)**Using the **most recently collected** FIT data (or equivalent), provide the following:

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

### 2019-20 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued which waived the requirement to administer the physical fitness performance test for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

Parents are an integral part of the learning success of all students at Valencia. On the first day of school, parents are provided with a volunteer survey listing numerous opportunities to assist at school. At Back to School Night and Transitional Kindergarten/Kindergarten Orientation, parents are given a personal invitation and explanation of how they can participate. In the fall, room parents and grade level copy parents are invited to attend the Parent Volunteer Orientation. Community members are seen often on campus fulfilling a variety of roles, such as tutors, library helpers, PTA committee members, book fair volunteers, clerical assistants, field trip chaperones, vision and hearing and height and weight test supporters, Talent Show volunteers, Mileage Club volunteers, and Watch DOGS (Dads of Great Students). PTA sponsors a variety of school-promoted family activities such as the Fall Social, regular Take Your Family to Dinner Nights, Kindergarten Reading Night, and two Book Fairs which parents are encouraged to participate in. Additionally, grade level teams often incorporate activities, involving parents and the community, that bring the curriculum to life. Valencia's School Site Council and English Language Acquisition Committee also provide opportunities for parents to be involved in the decision-making process. Various evening meetings are scheduled throughout to provide parents with additional information regarding our school and related services, such as a Welcome Back Parents and Educational Technology information meetings.

\*Note these opportunities for Parental Involvement reflect a traditional school year. Parental Involvement during during learning includes e a Fund Raiser, Virtual Book Fair, Spirit Wear Sales, Family Dine Out Nights, Mystery Bags for our Eagle Bucks, and Yearbook. We continue to have Valencia's School Site Council and English Language Acquisition Committee to provide opportunities for parents to be involved in the decision-making process.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

Valencia Elementary School maintains a Comprehensive School Safety Plan. Our site safety representative, in conjunction with our safety committee, updates our School Safety Plan annually and provides ongoing safety training and information at staff meetings. Our most recent revision was completed in February 2020. At the beginning of each school year, parents and staff are provided with a digital handbook that contains school policies, emergency procedures and a school-wide safety plan. The Plan covers all contingencies for smog, earthquake, fire, lockdown and other State Emergency Management System requirements. All classrooms have tubs with individual student emergency food bags and supplies as well as other supplies in case of an emergency. The Valencia PTA maintains classroom first-aid backpacks. Fire extinguishers and disaster protocols are clearly visible in each classroom. Valencia has created and maintains an emergency shed which contains items to be used in a crisis. School-wide disaster, fire, lockdown, and barricade drills are practiced on a monthly basis. Our School Safety Plan helps to ensure that students and staff feel safe and prepared. The Upland Fire Department trained staff on the use of the emergency flag system that is used is city-wide in the event of an emergency. A team comprised of site and district administrators along with teachers and the Upland Police department school resource officer are working together to develop a protocol for active shooter situations. To increase student safety and security before and after school, Valencia has installed a new coded system on the gates giving parents access to school grounds for Daycare purposes. It is our main goal to maintain student and staff safety in all emergency situations.

\*During our distance learning and in preparation of returning to school, many additional safety protocols have been implemented, which include, but are not limited to: hand sanitizers in each classroom, hand washing stations available throughout the campus, designated flow patterns throughout the school to allow for social distancing, desks spaced apart with plexiglass partitions, limited access to areas on campus, designated entrance and exit gates, PPE available for staff and students.

Expulsions			

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

The Upland Unified School District believes that high quality, evidenced-based professional learning for all is essential to continuous improvement of teaching skills and concepts to improve student achievement. The District provides or coordinates on-going training based on needs identified through student performance indicators, including results of the California Assessment of Student Performance and Progress, the English Language Proficiency Assessments for California, District iReady benchmark assessments, and input from sites regarding specific needs. Professional learning is aligned with the District Strategic Plan for Student Achievement and Board goals. Teachers, paraprofessionals, child care providers, substitutes, clerical staff and administrators participate in workshops, and conferences that allow them to grow professionally and provide opportunities for collegial sharing. Regular meetings of teacher leaders in literacy, mathematics, reading intervention and technology as well as follow-up coaching support full implementation of training. Additionally, each school provides time for teacher collaboration on student achievement data, curriculum development, and review of classroom-based performance measures. Examples of workshops and coaching implemented as the result of analysis of student achievement include: Effective Teaching Strategies, Classroom Management, Curriculum Alignment and Mapping, English Language Development, Thinking Maps, Positive Behavior Intervention Support, Social Emotional Learning, 21st Century Classroom Technology, Common Core State Standards, Next Generation Science Standards, Modeling Academic Language, Universal Design for Learning, and Parent Engagement. Staff members participate in professional learning in all-day workshops, after-school workshops and meetings, individual coaching/mentoring, and off-site conferences, both in person and virtually. The Induction program provides support to new teachers. The Peer Assistance and Review Program is available to provide support to teachers in the areas of content knowledge and teaching strategies. Currently, the District calendar includes a collaboration day schedule each week to allow for on-going teacher dialogue and collaboration to meet student needs.

\*Note these opportunities for Professional Development reflect a traditional school year. During Distance Learning, Every Monday is a non-student day and consist of a 1 1/2 hour Professional Development 2x a month.

**Types of Services Funded**

Valencia Elementary School receives funding for regular and supplementary educational programs. Our budget accounts consist of SITE and LCAP budgets. The School Site Council/English-Learner Advisory Committee, composed of parents and staff, oversee expenditures based on our school-wide goals. Valencia's school-wide goals are aligned with Upland Unified School District's LCAP goals. Monies are spent on materials, supplies, staff development, and equipment as designated by the School Plan for Student Achievement. The following special programs are offered at the school: English Language Learner program (ELL), Resource Specialist Program (RSP), speech and language, reading intervention, daycare, band, choir, honor chorus, PBIS, Watch DOGS and character programs as well as district provided P.E. instruction in grades 1-6. The school district also provides the following services to students: health services, library assistance, crisis intervention, psychological services, and Healthy Start support and services.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county.
