School Wide PBIS

# Why PBIS?

Positive

Behavioral

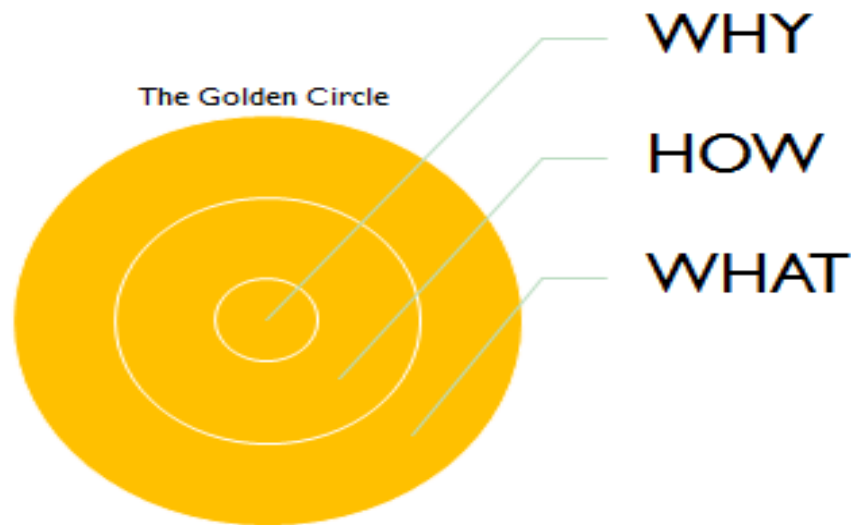

Interventions & Supports

## START WITH “THE WHY”

“**Why** would our school want to implement a school-wide positive behavior system?”

“**How** will our school implement a school-wide positive behavior system?”

“**What** will our school do to implement a school-wide positive behavior system?”

# PBIS is...

A decision making framework that utilizes evidence-based behavioral practices to improve positive academic and behavior outcomes for ALL students

A multi-level approach offered to ALL students

An interactive approach that focuses on: 1) Outcomes, 2) Data, 3) Practices, and 4) Systems

Embedding social and emotional skills within the classroom curriculum

Help all staff (teachers, classroom aides, duty aides, custodians, cafeteria workers, etc.) determine what is appropriate behavior and what is not AND what to do with the behavior in both cases.

Define specific school wide positive behavioral expectations, no more than 3-4

Recognize and reward positive behaviors in ALL students

PBIS will...

Positive

Behavioral

Interventions & Supports

**A SHIFT IN HOW WE THINK, FEEL AND ACT**

**FROM**  
Changing  
the Student

**TO**  
Changing  
the
