

LITTLE KNIGHTS LEARNING CENTER DAYCARE

3yr PRESCHOOL PROGRAM

LOWDEN & MECHANICSVILLE

MONDAY - THURSDAY 8AM - 12PM

Starting September 14, 2020

(Includes Breakfast and Lunch)

We are excited to announce... Not only will our 3yr old preschool program be available at the Lowden center but now at our Mechanicsville center as well. We are so excited to be able to offer this program on both ends of the district. Our little one's education is so important and being able to give them that head start is such a wonderful opportunity. Our programs focus on many early childhood skills that prepare them for their journey through future education. Some of the key elements we focus on include but are not limited to; Language Skills, Motor Skills, Social Skills, Number and Letter Recognition, Self-regulating Skills, and much more! The first day of preschool will be on **September 14th at 8:00AM**. We will be having a Meet and Greet outdoors on our playgrounds to allow us to social distance. Each family will get a chance to come in with your child and see their classroom, put their supplies away, and meet their teachers one-on-one! For the Lowden center this will take place on **September 10th at 5:00PM**. For the Mechanicsville center this will take place on **September 11th at 5:00PM**. If there are any questions please feel free to contact Maria Porter District Director at mporter@north-cedarstu.org or **563-579-1644**. If able, please remember to wear your masks!
