Hello North Cedar Community.

As we head toward the Winter activity season, we wanted to take a moment and send an update on spectator attendance for our activities.

In accordance with the November 10 proclamation from Governor Reynolds, we will begin limiting spectators at our District activities to two spectators per participant. This limit is effective immediately, and will run through November 30, at a minimum. In addition to the two spectator limit, the following restrictions will also apply:

- All spectators over 2 years old must be masked
- 6 feet distancing between groups
- Sit only with members of your own personal household

These restrictions apply to all activities in the District, and include athletic activities scheduled at other schools.

We are working on identifying the best way to implement a spectator limiting system; and we are exploring live streaming options for our home contests as well. More information will be shared as those plans are finalized.

We apologize for the inconvenience; but we are committed to doing all we can to keep our students in our buildings. If you have any questions, please direct them to Adam Hadenfeldt at: (563)452-3179, or [email ahadenfeldt@north-cedarstu.org](mailto:ahadenfeldt@north-cedarstu.org)
