You can send your child's tuition to school with your child. Remind them to give it to their teacher or take it to Nikki in the office. After receiving the tuition I will send a receipt in an envelope home with your child. Remember to check your child's backpack.

Regarding the Cedar County Empowerment Scholarships:

Eligible preschoolers may be able to receive a scholarship to cover a portion of their tuition. An application is attached. We encourage you to apply if you feel you may need financial assistance. This goes through the Cedar County Public Health Office.

Please call the school office if you have any questions.
