

North Cedar Parental Permissions

Student Name _____

In connection with the educational program of the North Cedar Community School District, we are asking for your written consent to take your child on educational field trips during the 2019-2020 school year. This authorization will eliminate the need for special permission before each trip and will give each child an opportunity to be included on such trips. I give permission for my child to go on school-sponsored academic, athletic, extracurricular, and classroom field trips during the 2019-2020 school year.
