As per Executive Order N-29-20 from Governor Newsom, the Big Sur Unified School District Board of Trustees meetings will move to a virtual/teleconferencing environment using Zoom. The purpose of the Governor's executive order is to control the spread of Coronavirus (COVID-19) and to reduce and minimize the risk of infection by "limiting attendance at public assemblies, conferences, or other mass events." The Governor's executive order on March 12, 2020, already waived the requirement for a majority of board members to physically participate in a public board meeting at the same location.

The intent is not to limit public participation, but rather to protect public health by following the Governor's Stay at Home executive order and the Monterey County Department of Public Health's order.
