

Semester Eligibility Clarification:

- Students who did not pass 5 classes during the Fall Semester **will** be allowed to practice. However, no athlete will be allowed to participate in an event until they are eligible from Fall Semester.
 - Due to time restraints students who do not make up the required credits by **February 1st** will be released from the team.
- St. Stephen's normal eligibility policy will still be in effect.
 - **A warning list will be run every Monday morning. The warning list will include D's and F's. Any student not on the warning list will be eligible for the week's activities. Students on the warning list will have until 9:00 a.m. on Thursday to get their grades up. At that time a new eligibility report will be ran.**
 - **High School** - Any student with 1 or more F's at 9:00 a.m. on Thursday will be ineligible to participate in competitions until the following Thursday.
 - Student athletes are encouraged to make their work up in power hour or during class and not leave other classes to make up work.
 - Occasionally there are games on Mondays and Tuesdays. If there is a game on Monday or Tuesday, and the athlete is on the ineligibility list the previous Thursday, the athlete will be ineligible to participate
