The Bishop Moore Catholic High School seal symbolizes our ideals and principles.

The Latin phrase “Virtus et Scientia” means “Virtue and Knowledge”. The heart represents charity. The violets, humanity, and the triangle symbolizes the Blessed Trinity.

The lily in the left-hand corner represents purity; the carpenter’s square symbolizes St. Joseph, the patron saint of the Sisters of St. Joseph who pioneered Bishop Moore Catholic High School.
Our Vision  
Guided by our Catholic tradition, Bishop Moore Catholic High School students will develop personally, spiritually, and intellectually to achieve their potential as individuals and leaders within a global society.

Vital to our identity as a Catholic High School is volunteer service and outreach as individuals and as a community. The entire school participates regularly in collection of goods and money for those in need. These items are distributed to local, national and international organizations. In addition to campus wide outreach, our students contribute well over 30,000 volunteer service hours to the Greater Orlando area annually.

Recent graduating classes have been awarded scholarships in excess of 15 million dollars.

Two thirds of Bishop Moore graduates receive Florida Bright Futures Scholarships. These scholarships are valued at either 75% or 100% of tuition in the Florida State University System.

Average standardized test scores are well above local, state, and national norms.

Over 8,000 alumni are testimony that during the most important four years in a young person's life, Bishop Moore Catholic High School has made a difference.
