Re: Teacher Information
updated: November 18, 2016

Dear Parent(s):

Federal law requires that each school district receiving Title I funds notify parents of each student attending any school receiving these funds that information regarding the professional qualifications of their child's classroom teacher(s) can be requested.

As a parent of a student attending a school receiving federal program funds, you have the right to know:

- Is my child's teacher licensed to teach the grades and subject(s) assigned?
- Is my child's teacher teaching with a provisional license, meaning the state has waived requirements for my child's teacher?
- What is the college major of my child's teacher?
- What degree or degrees does my child's teacher hold?

To request the state qualifications for your child's teacher or instructional aide, please contact our District Office at 208-834-2660.

If you would like more information about any school in the Bruneau Grand View School District, feel free to call our District Office at 208-834-2660.
