

The Bruneau-Grand View Joint School District 365 Community Advisory Committee is seeking community feedback regarding school consolidation plans. The purpose of this committee is to provide Superintendent Cantrell with 2-3 viable long-term options for BGV's facilities, which he can then present to Trustees in a 2021 Board Meeting. Trustees may then discuss the options provided by Supt. Cantrell, and the Board may choose to take action to incorporate the proposal into BGV's long-term strategic plan.

The committee is working to gather feedback from all constituents to develop and maintain a sustainable and economically responsible infrastructure to provide the most robust educational experience possible for all students enrolled in School District 365.

A brief two-question survey will be mailed to each household in the district the week of **October 26, 2020**. Surveys may be completed online (instructions to be included in the mailer), filled out and hand delivered in a sealed envelope to Bruneau Elementary, Grand View Elementary or the district office at Rimrock Jr/Sr. High, or mailed to:

Community Advisory Group
39678 State Highway 78
Bruneau, ID 83604

Please return by **November 6, 2020**.

Thank you for your help.

Community Advisory Committee:

Lynn Bachman, Holly Black, Jo King, Elizabeth Thomas, Randall Raymond, Sara Ramirez, Beth Gasper, Robert Draper, Danny Martinez and Casey Meyers

Ryan Cantrell
Superintendent
