La Paz County School Superintendent, Jacque Price, has announced the following vacancies:

- Bicentennial Union High School District Governing Board—2 vacancies
- Salome Consolidated Elementary District—2 vacancies

Arizona Revised Statutes §15-302.3 outlines the county school superintendent's responsibilities in filling a vacant governing board position. Vacancies may be filled either by appointment or by a special election. Mrs. Price has determined that at this time an appointment will best meet the needs of the communities and school district.

The term of the appointments will be from the appointment date through December 31, 2022. The positions will appear on the General Election Ballot on November 8, 2022. The appointed board members must run in the November 2022 election to continue to serve after December 31, 2022

To qualify as a governing board member, the applicant must have been a resident of the school district in which they are applying for at least one year prior to their appointment and must be a registered voter in the state of Arizona. Please note that according to state statute, no employee of a school district, their spouse, or another member of the employee's household may hold membership on a governing board of a school district by which are employed.

Interested citizens shall complete a Governing Board Application, available at the School District Office or La Paz County Education Service Agency (ESA) Office. Submit completed application, documentation, and notarized affidavit to La Paz County ESA, 1112 Joshua Ave., Suite 205, Parker, AZ 85344.
