The following application needs to be completed in word document form and attached to the cover page of this document.

Attached to the cover page; two letters of recommendation from community members that are not Capitan School Employees.

Attach to the cover page; an essay telling how your generation will impact the world. Each of you have a unique perspective of the world, and your own special skills and experiences will set the framework on how you will face the world we know today. Think big but be realistic, this essay is your opportunity to set yourself apart from everyone else.

Attach the answers to the following questions to the cover page;

- 1. High School academic achievements or distinctions you have received since the 9th grade.**
 - 2. Which academic subject is most meaningful to you? Why?**
 - 3. High School Activities accomplishments and offices held.**
 - 4. List volunteer and community service accomplishments during your high school career.**
 - 5. Describe your work experiences during your high school career. Did you maintain a job during the school year and how much time did you put into your job during the school year?**
 - 6. Based on your educational/life experiences, how do you define "Tiger Pride?"**
 - 7. Upon completion of your college degree give an example of how you can give back to the Capitan Alumni and this community.**
 - 8. Please give the following information for your mother and father: Name, phone numbers, address, e-mail address and let us know if they are alumni and if they are what year did they graduate?**
