

WHO SHOULD TAKE THE SAT'S or ACT'S AND WHEN?

Anyone who is thinking about attending a college or university should take the SAT by the end of their junior year. Typically technical/trade schools do not require these tests, but all 4-year colleges do.

WHO SHOULD TAKE THE PSAT?

Any sophomore or junior who is considering attending a college or university. This test is great practice for the SAT at a much lower cost. When you take this exam, you get your exam book back and all the correct answers so that you can see what you missed and why.

WHEN SHOULD I APPLY TO COLLEGE?

Senior year - before Thanksgiving.
