Reminders

Car Line

You must make a **right turn** onto Commerce St when leaving car line.

Baby Bottle Boomerang

We are still collecting money for the Safe Harbor Baby Boomerang. Each classroom has a baby bottle for change and bills. Feel free to send any and all spare change with your child. Let's fill these bottles to the top!

School Pictures Have Arrived!

We will be sending them home today!
Check your child's backpack!

Mrs. Stonecipher will be returning soon. We are appreciative when she visits. Lots of love to Baby M!

Each year for the last 30+ years, early childhood centers and K-12 schools in the Florida-Georgia District have partnered in supporting a special project we call, "Hearts for Jesus." Simply stated, the 60+ Lutheran school ministries in Florida and Georgia, designate the chapel offerings for the month, to support a ministry somewhere beyond our borders.

This year, we have selected World Mission, a ministry whose mission is to be the first to reach the "Unreached" people of the world with the Word of God. One of the most powerful ministry tools they use is called, a "Treasure," a solar powered audio device that contains the Bible in the native language of the people who receive them.

Food for Thought
Onion Rings are just vegetable donuts.

Chapel Offerings

Our chapel offerings for February will go to World Mission through the Hearts for Jesus Project
