(Half Day)

Report Cards
January 28th

Soccer 

Conditioning

4th grade, 5th grade, & Middle School
Monday & Wednesday
3:30 to 4:45

By donating to Safe Harbor, you are helping to provide pregnancy tests, ultrasounds, peer counseling, maternity clothes and baby supplies, a hand of friendship, and the Gospel to women in crisis pregnancies. All these services are free.

5TH GRADE FUN

! Parking Lot Speed !

Please be mindful of your speed in the parking lot. Too many cars are traveling too fast and it has become a **safety issue**.

Also, please do not park or stop sideways over parking spaces. We are seeing this particularly over our handicapped spaces. Help us keep traffic moving and parking spaces open to those that need them.

Sent to Serve

Two of our amazing students, Kylie and Knox, ran a lemonade stand over the weekend to raise money for Safe Harbor! We are so proud!

Baby Bottle Boomerang

Since our chapel money this month is already going to Safe Harbor, we have decided to also participate in their Baby Bottle Boomerang fundraiser. Each classroom has a baby bottle for change and bills. Feel free to send any and all spare change with your child. Let's fill these bottles to the top!

Chapel Offerings

Our chapel offerings for January will go to Safe Harbor Pregnancy Center
